

NSW Health 2015-16 Annual Report Errata

6 February 2017

Index added. Refer to pages 273-274.

18 November 2016

Source included for Workforce Statistics data table page 255: *Source for 2013-2015 data is Health Information Exchange and Health Service local data.*

Target deleted in Table A for people with a disability page 75: *Target included in error.*

23 December 2016

Source included for Workforce Statistics data table page 255: Source for 2016 data is Statewide Management Reporting Service (SMRS).

Footnote updated on page 255: Clinical Support had in previous reports been labelled Hospital Support Workers. The change in name is to more accurately reflect the services these employees provide to the health system.

Highlight updated on page 24: 'maternity' included in error.
