**Ageing:** The risk associated with the workforce aged over 60 and 70.

**Small Workforce Size:** The risk associated with the sustainability of small workforces.

**Retirement Intentions:** The risk associated with the retirement intentions of the current workforce.

**New Fellow Requirements:** The risk associated with the requirement to recruit additional trainees, based on workforce planning to 2025.

**Training Supervision:** The risk associated with the availability of the existing workforce to provide supervision to new trainees.

Future Workforce Considerations

- NSW piloting Dual Training pathway involving General Medicine/Subspecialty training
- Recognition of important role of Generalists
- Rural workforce requirements for General Physicians
