NSW Public Service Commission: Innovation Implementation Project

- about the NSW Public Service Commission
 - <http://www.psc.nsw.gov.au>
- a big and broad public sector agenda
- linkages with key NSW government initiatives
 - *NSW 2021: A Plan to Make NSW Number One... to 'shape a modern, forward-thinking public sector that embraces new ideas to improve services and efficiency'*

PSC + innovation

- about the **Innovation Implementation Project**
- long-term vision; **immediate-term action:**
 - **action plan for 2013**
- our innovation focus:
 - pragmatic; relevant
 - the long tail: **1% ideation; 99% implementation**

Cluster consultation

- all NSW clusters are being consulted to inform **2013 innovation action plan**
- **ongoing connection**
- **harnessing your experience**
 - grounding the action plan in **public sector realities**
 - **paving the way** for new approaches
 - Public Service Commission Worksheets
