Viruses like influenza (flu), respiratory syncytial virus (RSV) and COVID-19 are around.

Protect yourself against severe illness. Make sure you've had your recommended vaccinations, including influenza (flu) and COVID-19.

If you are 65 years and over, you can get a FREE* flu shot.
A FREE COVID-19 booster dose is also recommended.

Ask your doctor, pharmacist or Aboriginal Medical Service today.

* Some providers may charge an administration or consultation fee. Ask your doctor or pharmacist if this applies to you.
