<tr>
<td><strong>Stay at home</strong></td>
<td>You should not leave home unless it is absolutely essential. You can leave home if you have a reasonable excuse. Follow the NSW Health guidance if you are self-isolating.</td>
</tr>
</tbody>
</table>
| **Visiting people**    | In general, you cannot:  
> visit people in their home or allow people to visit you at home  
> share a car with a person you do not live with.                                                                                       |
| **Repairs and cleaning** | You must not allow a worker to enter your home to do repairs, maintenance, cleaning, or any other trades. Any repairs, maintenance or cleaning that can be delayed should be rearranged. |
| **Exercise and recreation** | Stay within 5km of your home.  
You can go outdoors for exercise or recreation with:  
> the people you live with  
> one person you do not live with, such as your nominated visitor. |
| **Working**            | Work from home if you are able to. If you cannot work from home you can leave your home to go to work:  
> if you are an authorised worker  
> in Greater Sydney including the Blue Mountains, Central Coast, Wollongong and Shellharbour local government areas at a business that can be open  
> within the Canterbury-Bankstown local government area  
> outside the Canterbury-Bankstown local government area if you meet the requirements for COVID-19 testing every 72 hours (3 days).  
Construction is not able to occur in the Canterbury-Bankstown local government area.  
No construction or tradespeople are allowed to work in the Canterbury-Bankstown local government area and construction workers are not allowed to leave the areas.  
If you go to work, follow the rules for wearing a face mask. |
## Canterbury-Bankstown Local Government Area
### COVID-19 rules
A summary of the rules if you live in the Canterbury-Bankstown local government areas.

| **COVID-19 tests** | Get a COVID-19 test if you:  
> have any **symptoms**  
> were at a location at the same time as a confirmed COVID-19 case  
> have come into contact with a confirmed COVID-19 case  
> need to leave your local government area for work as an **authorised worker**.  
You must have a COVID-19 test once every 72 hours (3 days) in order to be allowed to go to work if you:  
> are an aged care or health care worker and  
> live in or are staying in the Canterbury-Bankstown local government areas and  
> work outside either area.  
An aged care worker is a person who works in a residential aged care facility.  
A health care worker is a person who:  
> provides health services within the meaning of the Health Services Act 1997 (whether public or private sector)  
> is a registered health practitioner  
> works for a registered health practitioner or  
> provides ancillary services to a health practitioner, such as cleaners, cooks and security providers at hospitals.  
From 31 July 2021 you must have a **COVID-19 test** once every 72 hours (3 days) in order to be allowed to go to work if you:  
> are an **authorised worker** and  
> live in or are staying in the Canterbury-Bankstown local government area and  
> work outside this area. |

<tbody>
<tr>
<td>Social bubble</td>
<td>If you live by yourself, you can have one person visit you. This also applies if you are the only adult, but live with children. The person you choose to visit you cannot visit anyone else. You can only have one visitor so once you choose someone you cannot change who your visitor is. The visitor you choose must live within 5kms of your home.</td>
</tr>
<tr>
<td>Face masks</td>
<td>You must always wear a face mask indoors and outdoors except: &gt; in your home on your own &gt; in your home with other people you live with, except if someone in your household is self-isolating &gt; travelling in a vehicle (car) by yourself or with other people you live with.</td>
