

Notice in relation to affected areas and affected workers
Public Health (COVID-19 Temporary Movement and Gathering Restrictions) Order
2021 under the *Public Health Act 2010 (NSW)*

I Kerry Chant, Chief Health Officer, under clause 24A and clause 24B of the *Public Health (COVID-19 Temporary Movement and Gathering Restrictions) Order 2021* (Order) hereby make the following notice with effect from the beginning of **23 July 2021**:

- 1) The following local government areas is specified as an affected area for the purpose of Part 4A of the Order:

| |
|--|
| Canterbury-Bankstown Local Government Area |
|--|

- 2) Clause 24B only applies to an affected worker who lives in Canterbury-Bankstown Local Government Area and who works in one of the following areas:

| | |
|-------------|---|
| Health Care | A person who: <ul style="list-style-type: none">• provides health services within the meaning of the Health Services Act 1997 (whether or not in the public or private sector) or a registered health practitioner or a person who works for a registered health practitioner (each a “health services provider”), or• provides ancillary or support services to the work of a “health services provider” (as defined above) (including, for example, cleaners, cooks and security providers at hospitals) |
| Aged care | A person who works in a residential aged care facility. A residential aged care facility means a facility at which the following services are provided to a person in relation to whom a residential care subsidy or flexible care subsidy is payable under the Aged Care Act 1997 of the Commonwealth— (a) accommodation, (b) personal care or nursing care. |

Note: as a result of this notice:

- a person who lives in the Canterbury-Bankstown Local Government Area and who works in Aged Care or Health Care can only enter premises for work outside of the Local Government Area in which they live if the person has been tested for COVID-19 in the previous 72 hours. The person must also have evidence of the test available to their employer, the occupier of premises in which the person works or a police officer on request.
- the occupier of the premises in which an affected worker works must not permit the worker to enter the premises unless the worker has been tested for COVID-19 in the previous 72 hours.

Kerry Chant
Chief Health Officer
