

Informasi mengenai klinik pengujian COVID-19

Information about COVID-19 testing clinics

Indonesian

Jumlah anggota masyarakat yang menjalani tes COVID-19 masih kurang memadai.

Siapa pun yang merasakan gejala perlu menjalani tes untuk membantu menghentikan penyebaran COVID-19 dalam masyarakat.

Apakah saya perlu menjalani tes?

- Anda harus menjalani tes jika Anda merasakan gejala COVID-19. Gejalanya termasuk demam, batuk, tenggorokan sakit/gatal, sesak napas, kehilangan indera perasa atau penciuman.
- Walaupun Anda mengenakan masker dan tidak bertemu banyak orang, Anda tetap harus menjalani tes kalau merasakan gejala.
- Jika Anda pernah berada di wilayah mengkhawatirkan, turutilah nasihat pada situs web ini:
<https://www.nsw.gov.au/covid-19/latest-news-and-updates#self-isolate-and-get-tested-immediately-if-youve-been-to-these-locations>

Apakah aman untuk menjalani tes?

- Klinik pengujian bersih dan aman. Menjalani tes itu aman.

Apakah saya harus membayar biaya tes? Apakah saya perlu memiliki kartu Medicare?

- Pada klinik umum, tes COVID-19 gratis. Anda tidak perlu memiliki kartu Medicare.

Di mana sajakah saya dapat menjalani tes?

- Klinik pengujian banyak jumlahnya. Situs web ini menunjukkan lokasi klinik pengujian di NSW:
<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/clinics.aspx>
- Anda dapat datang ke klinik umum tanpa perlu membuat janji temu.
- Sebagian klinik membolehkan Anda berjalan masuk. Sebagian lagi adalah klinik lantatur (drive-through).
- Layanan juru bahasa tersedia. Klinik dapat menghubungi juru bahasa melalui telepon ketika Anda tiba.

- Anda juga dapat bertanya kepada dokter GP (dokter setempat) Anda tentang tes. Dokter GP dapat mengurus tes.

Apakah anak-anak dapat menjalani tes?

- Ya, anak-anak dapat menjalani tes.
- Sebagian klinik tidak melakukan tes bagi anak yang masih sangat kecil. Anda dapat menelepon klinik tersebut atau memeriksa batas umur di situs web NSW Health:
<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/clinics.aspx>

Apakah tes COVID-19 memakan waktu lama?

- Tes ini sangat cepat.
- Jika klinik sibuk Anda mungkin harus menunggu untuk dites.

Bagaimana saya akan mendapatkan hasil tes?

- Sebagian besar hasil tes dikirim melalui SMS atau Anda dapat menelepon nomor yang diberikan oleh klinik. Sebagian besar hasil tes keluar kurang dari 24 jam.
- Jika hasil tes Anda positif, petugas layanan kesehatan akan menelepon Anda.

Apa yang terjadi setelah saya menjalani tes?

- Anda perlu mengisolasi diri sampai hasilnya keluar. Ini berarti Anda harus tinggal di rumah, jauh dari orang lain.

Bagaimana jika saya mengidap COVID-19?

- Kami akan menelepon Anda, mengajukan pertanyaan lebih lanjut, dan memberitahu Anda apa yang harus dilakukan.
- Anda harus tetap di rumah selama 14 hari, jauh dari orang lain.
- Sebagian besar orang tidak perlu pergi ke rumah sakit atau hotel karantina.
- Sistem kesehatan akan membantu Anda. Jika Anda perlu perawatan di rumah sakit, Anda tidak akan dikenai biaya.

Information about COVID-19 testing clinics

Not enough people in the community are getting tested for COVID-19.

Everyone with symptoms needs to get tested to help stop the community spread of COVID-19.

Should I get tested?

- If you have any symptoms you should get tested. Symptoms include fever, cough, sore/scratchy throat, shortness of breath, loss of taste or smell.
- Even if you wear a mask and don't see many people, you should still get tested if you have symptoms.
- If you have been to an area of concern, follow the advice on this website:
<https://www.nsw.gov.au/covid-19/latest-news-and-updates#self-isolate-and-get-tested-immediately-if-youve-been-to-these-locations>

Is it safe to get tested?

- The testing clinics are clean and safe. It is safe to get tested.

Do I have to pay to get tested? Do I need a Medicare card to get tested?

- In a public clinic, it is free to get tested. You don't need a Medicare card.

Where can I get tested?

- There are many testing clinics. This website shows the testing clinics in NSW:
<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/clinics.aspx>
- You can just turn up at a public clinic. You don't need to make an appointment.
- Some clinics you can walk into. Other clinics are drive-through clinics.

- Interpreters are available. The clinic can arrange a telephone interpreter when you arrive.
- You can also ask your GP (local doctor) about testing. GPs can arrange testing.

Can children get tested?

- Yes, children can get tested.
- Some clinics may not test very young children. You can call the clinic or check the NSW Health website for age limits:
<https://www.health.nsw.gov.au/Infectious/covid-19/Pages/clinics.aspx>

Does it take long to get tested?

- The test is very quick.
- If the clinic is busy you might need to wait to be tested

How will I get my results?

- Most test results are sent by text message or you can call the number provided by the clinic. Most results are available in less than 24 hours.
- If your test is positive, the health service will call you.

What happens after I get tested?

- You need to self-isolate until you get your results. This means you need to stay at home, away from other people.

What happens if I have COVID-19?

- We will call you, ask you more questions, and tell you what to do.
- You will need to stay home for 14 days, away from other people.
- Most people don't need to go to hospital or a quarantine hotel.
- The health system will support you. If you need treatment in hospital there will no cost to you.
