3. You can also update your details by clicking the Edit button.

1. Click the ‘Express Plus Medicare’ button (Express Plus Medicare app) and sign in.
2. Your COVID-19 vaccination details will be displayed.
3. You can also update your details by clicking the Edit button.

The COVID-19 vaccine record can be used as proof of vaccination when required. You can also use the Service NSW app (check in), which allows you to view your vaccination history (Service NSW app) and update your details accordingly. For more information, visit nsw.gov.au/covidvaccineproof for further guidance.

For medical contraindications, contact a medical professional. AIR (Apple Wallet) supports both Apple Pay and Google Pay. If you have any questions, please visit nsw.gov.au/covidvaccineproof for further guidance.
