Evidence shows that vaccines are safe and effective against COVID-19.

“I’m vaccinated to keep me, my family, and my community safe.”

Kelly Stanford, Director of Kimberwalli
Know the facts about COVID-19 vaccines

☑ Being vaccinated will help stop our mob getting really sick.

☑ Vaccines have been through a lot of safety testing and are effective against COVID-19.

☑ Vaccines will not give you COVID-19 or change your DNA.

☑ Benefits for you and your mob far outweigh the risk of rare side effects.

☑ Yarn with your health professional if you have questions about the vaccine.
