I got vaccinated so we can get back to sport and all the things we do together.

Ricky Walford, Former St George NRL Great

Evidence shows that vaccines are safe and effective against COVID-19.
Know the facts about COVID-19 vaccines

- Being vaccinated will help stop our mob getting really sick.
- Vaccines have been through a lot of safety testing and are effective against COVID-19.
- Vaccines will not give you COVID-19 or change your DNA.
- Benefits for you and your mob far outweigh the risk of rare side effects.
- Yarn with your health professional if you have questions about the vaccine.
