PROTECT YOURSELVES AND YOUR LOVED ONES

Do NOT enter this Residential Aged Care Facility if you have not had the 2020 flu vaccine

• All visitors must have had an up-to-date (2020) flu shot
• Do not visit if you are feeling unwell
• To protect our residents we are screening all visitors, including asking whether you have had the 2020 flu vaccine
• Anyone who has not had the 2020 flu vaccine cannot enter this facility, except in special circumstances. People who cannot have the flu vaccine due to a medical contra-indication need to provide medical evidence to confirm this, to meet these special circumstances.
