INTRODUCTION

This Pharmacy Programs Administrator Portal User Guide provides a step-by-step process for registering and claiming for the Take Home Naloxone (THN) Program. It describes the following processes:

- Set up a user account for the Portal
- Registering for a Role
- Register or request to be linked to a Service Provider (your hospital pharmacy)
- Register for the THN Program
- Submit a THN Individual Supply Claim
- Submit a THN Bulk Supply Claim.

Please note only S94 Hospital Pharmacies located in certain States/Territories can currently provide bulk supplies of naloxone to AAS sites under the THN Program. Once this changes for other States and Territories, Service Providers will be informed.

For best performance, we recommend the most recent version of the **Google Chrome** browser is used. Whilst you can successfully submit your registration and make claims using other browsers, they may not have all the features required to provide you with the best user experience.

If you require further assistance with using the Pharmacy Programs Administrator Portal, please do not hesitate to contact the Pharmacy Programs Administrator Support Centre on 1800 951 285 or email support@ppaonline.com.au.

SET UP YOUR USER ACCOUNT FOR THE PORTAL

- 1) Navigate to the Portal via the website <https://app.ppaonline.com.au> and select the **Enter** button
- 2) The Pharmacy Programs Administrator (PPA) Portal Login page will display. Click on the **Register as a new user** link

targeted at those planning to use the PPA Portal for the THN program. Scroll to the bottom of the page and click on the **To begin please register for a Role** link to register

More information about registering on the Portal can be found [here](#).

To begin please register for a [Role](#).

- 3) The role/s that you hold influence the Programs and Service Providers for which you can register. As the PPA Portal also manages claiming for 7CPA programs, there are many role options available, but to register for the THN Program you must select **Take Home Naloxone Participant** as your role

Select a role type to register for

- Pharmacy Owner
- Registered Pharmacist
- Accredited Pharmacist
- Service Provider Contact
- Intern Pharmacist
- Professional Educator
- AHA/MPS Head Pharmacist
- Mentor
- Student
- Chief Executive Officer (IHS or ELS)
- Director of Proprietary Limited (P/L) Company
- Medical Director (IHS)
- Head of Pharmacy School
- Take Home Naloxone Participant**

- 4) You will then be able to submit your role registration, by clicking the **Submit** button

Select a role type to register for

This role is reserved for users who are participating in the Take Home Naloxone (THN) program.

 Submit

- 5) You are now ready to link your role to a Service Provider (i.e. your S94 Hospital Pharmacy).

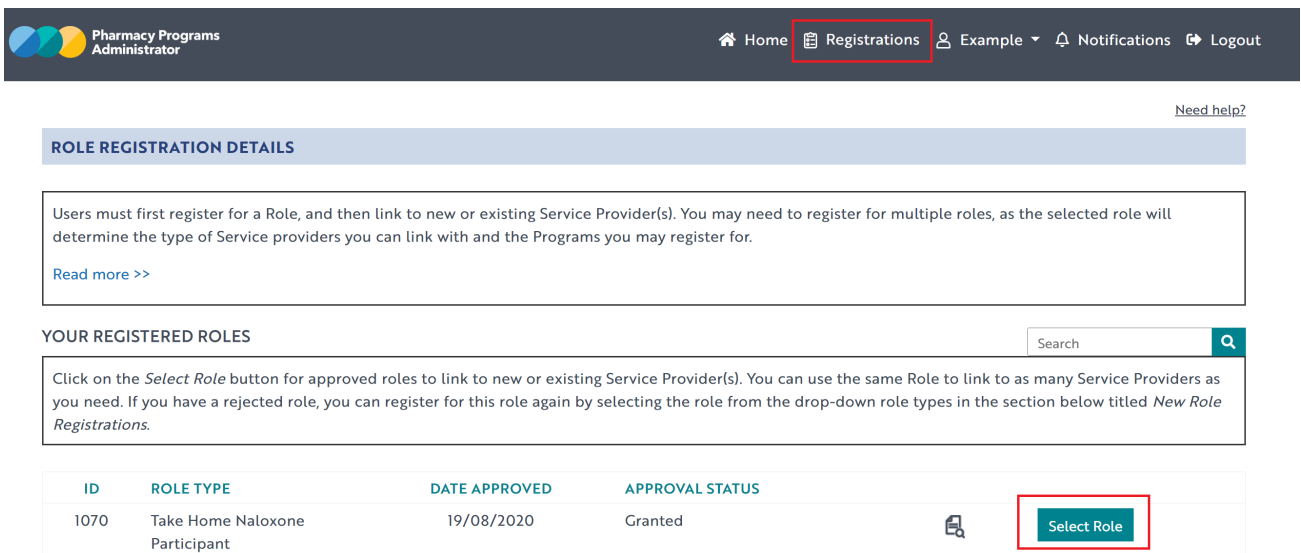

LINK YOUR ROLE TO AN EXISTING SERVICE PROVIDER

Once you have successfully submitted your Take Home Naloxone Participant role registration, you are now ready to link your role to a Service Provider.

If the Service Provider (i.e the s94 Hospital Pharmacy) already has an account in the Portal, you can follow these steps.

If you are intending to link your role to a Service Provider that does not have an account in the Portal yet, please see the next section titled [Link your role to a new Service Provider](#).

- 1) Select the **Registrations** button at the top of your screen
- 2) Then click on the **Select Role** button to the right of your Take Home Naloxone Participant role

LINK YOUR ROLE TO A NEW SERVICE PROVIDER

A new S94 Hospital Pharmacy must be registered as a Service Provider in the PPA Portal before it can be linked to your Role. This must be completed by the Service Provider's **Main Authorised Person** (MAP).

The **Main Authorised Person** is the only person who can:

- Approve other individuals to act on behalf of the Service Provider in terms of registering for programs or submitting claims
- Update information relating to the Service Provider including bank account details, address details (physical and postal), and contact details.

For the registration to be successful you must meet the eligibility requirements to hold the Main Authorised Person role for the new Service Provider.

- 1) Once you have registered your Take Home Naloxone Participant role you will be shown the following screen. You will need to register a new Service Provider by clicking on the **Can't find your Service Provider? Register a new one** link

Can't find your Service Provider? [Register a new one.](#)

- 2) The following screen will display. The individual registering for the new Service Provider will automatically be delegated as the **Main Authorised Person** (MAP) for that Service Provider. The MAP is the only person for that Service Provider who will be able to approve other users to act on behalf of the Service Provider (e.g. submit a service claim). The MAP is also the only person who is able to update information relating to this Service Provider

Can't find your Service Provider? [Register a new one.](#)

As the individual registering a new Service Provider (e.g. pharmacy or business), you agree that you are authorised to bind this Service Provider on behalf of all owners. You will become the Main Authorised Person for the Service Provider. The Main Authorised Person is the only person who can:

- a. Approve other individuals to act on behalf of the Service Provider in terms of registering for programs or submitting claims.
- b. Update information relating to the Service Provider including Bank Account details, Address details (physical and postal), and Contact details.

Please note it may take a few days for your registration to be reviewed and approved by the PPA Support Centre. You will receive an email notification when it has been approved.

REGISTERING FOR THE THN PROGRAM

Once your Service Provider registration is approved by a PPA Support Centre Operator, you will be able to register that Service Provider for the THN Program.

- 1) Once logged in to the PPA Portal, open the **Home** page to display a list of your approved Service Provider(s)
- 2) To Register for the THN Program, click the **Register for New Program** link underneath the name of the Service Provider you are trying to register for the THN Program. *Please note* only the Main Authorised Person (MAP) for the Service Provider can register for new Programs

- 4) The THN Program registration information will be displayed. This is simply a declaration outlining the conditions you must abide by in order to be eligible to participate in the THN Program

By clicking Submit Registration you confirm that you are authorised to bind the pharmacy/business to abide by the terms and conditions detailed above. Providing false or misleading information is a serious offence and auditing of claims made under the Program may occur. All records should therefore be maintained in accordance with the Take Home Naloxone Program Guidelines.

Submit Registration

- 5) Ensure you carefully read through the THN Program Declaration, then click the **Submit Registration** button at the bottom of the page to continue
- 6) Once submitted, the Program Registration will be automatically approved. A green message box will appear in the top right-hand corner of the screen. You can now begin to submit data under the THN Program

✔ Your Take Home Naloxone program registration has been approved.

THN NEW BULK SUPPLY CLAIM

This section details how to submit a THN Program **Bulk Supply Claim** through the PPA Portal. *In order to submit a THN Bulk Supply Claim you must first submit a Program Registration as per the steps in the above sections.*

Currently, only S94 Hospital Pharmacies located in Western Australia, South Australia and New South Wales can provide bulk supplies of naloxone to AAS sites under the THN Program. Once this changes for other States and Territories, Service Providers will be informed.

- 1) Once logged into the Pharmacy Programs Administrator portal, click on the **Home** icon to access a list of approved program registrations against one or more Service Providers
- 2) Click on the **View** button to make a Bulk Supply claim against the THN Program under the relevant Service Provider

If the AAS is not on the list, you will need to contact the AAS and confirm that they have been approved to participate in the THN program by their State or Territory health department. The AAS then needs to ensure that State Health AAS registration records are up to date and have been provided to the PPA Support Centre via email.

7) Once you have selected the correct AAS, you can complete the remaining fields in the **New Bulk Supply Claim** (see below). *Please note:*

- a. The Staff Designation field refers to the staff member lodging the claim (Pharmacist, Nurse, Social worker etc.)
- b. You must upload evidence of the bulk supply. This may be a stock transfer notice, pick slip or other document/s that shows how many units of naloxone were supplied, what form of naloxone was supplied, the name of the AAS and the address of the AAS
