 - (iii) rosters identify the general nature of the work to be performed on each shift (clinical/direct patient care, administrative, teaching, research or quality improvement) and the facility at which the shift is to be worked.

- (b) The employee can only enter into a multiple assignment where the subsequent assignment is at the same grade and level within the Award.
- (c) Where an employee has multiple assignments, the employee will progress from one increment (year step) to the next increment in accordance with Clause 5 (c) and (d) and Clause 13 (f).

- (i) The work performed in each of an employee’s assignments shall be aggregated for the purposes of determining all of the employee’s entitlements under this Award.

Hours of Duty

- (ii) The combined total number of ordinary hours worked under an employee’s multiple assignments will be in accordance with the provisions of Clause 4 Normal Duties Part A (General).
- (iii) Where the combined total number of ordinary hours worked under an employee’s multiple assignments is equivalent to those set out in Clause 4 Normal Duties Part A (General) they will be considered as a full time employee for the purposes of the Award and:

Leave

- (v) All ordinary hours worked by an employee in multiple assignments shall count towards determining the employee’s leave entitlements.
- (vi) Employees with multiple assignments shall be entitled to take all forms of leave in any of their assignments. That is, leave accrued by an employee through work performed in one assignment, can be taken by that employee in their other assignment/s. Service in all assignments will be recognised for the purposes of subclause (b) of Clause 19 - Sick Leave.
- (vii) Where an employee’s combined total number of ordinary hours worked in their multiple assignments is equivalent to those set out in (d) (ii) of this subclause, the additional leave

The employee shall not be paid out the monetary value of the annual leave or long service leave accrued in the terminated assignment.

5. whether the position is to be worked according to a set roster and if so, the details of that roster arrangement.

(xii) A Public Health Organisation may elect on reasonable grounds to withhold the approval of a second or further assignment to employees who are already employed in another assignment.

(xiii) Before accepting any change in roster or undertaking additional hours that will impact on another assignment, employees who hold multiple assignments must notify their current manager of the details of their next shift in either assignment. Managers must not change rosters or require employees to work additional hours where these will impact on the employee's roster in the other assignment without first consulting the manager of the other assignment/s. (By way of example, if an employee is requested by Manager 1 in Assignment 1 to undertake additional hours in Assignment 1 that may impact on the roster in Assignment 2, the employee must notify Manager 1 of the impact. Manager 1 must not change rosters/hours that impact on Assignment 2 without first consulting Manager 2.)

Multiple Assignments Across Different Public Health Organisations

- (e) Assignments in different Public Health Organisations will be regarded as entirely separate for all purposes under the Award, including the accrual and taking of leave. The only exceptions are the provisions of subclause (c) of this clause (regarding incremental progression) and:
- (i) At the time an employee commences an assignment in another Public Health Organisation the employee's accrued leave will be apportioned across their assignments (for example, a 0.6 full time equivalent Staff Specialist who commences another 0.4 full time equivalent assignment in another Public Health Organisation will have 60% of their leave accruals allocated to the former assignment and 40% to the latter assignment) unless prior to commencing the new assignment the employee elects that this apportioning does not occur. After this apportioning, leave accrues separately in each assignment, based on the hours worked in each assignment. The employer will notify the employee of their right to make this election prior to the apportioning taking place.
 - (ii) Employees who have multiple assignments across different Public Health Organisations at the time this clause was inserted into this award may elect to apportion their accrued leave across their assignments.

Changes to the composition of Public Health Organisations

- (f) The employer and the Union agree to review this clause in the event that the boundaries of any Public Health Organisation change.
- (g) Where any change to the boundaries of any Public Health Organisation causes an employee's multiple assignments to which subclause (d) of this clause previously applied to then be subject to subclause (e) of this clause, subclause (d) of this clause shall continue to apply (to the exclusion of subclause (e) of this clause) to those assignments until one of them is terminated.

- (f) Any fringe benefits tax applicable to the benefits packaged by a Staff Specialist will be deducted from the total amount sacrificed in that Staff Specialist's salary sacrifice agreement.
- (g) The administration cost of each salary sacrifice agreement will be shared equally by the Employer and the participating Staff Specialist. The Staff Specialist's share will be deducted from the total amount sacrificed in that Staff Specialist's salary sacrifice agreement.
- (h) Subject to clause 9, the total amount sacrificed in any salary sacrifice agreement may be up to 100% of the Staff Specialist's superannuable salary.
- (i) Any allowance, payment for unused leave entitlements, weekly workers' compensation or other payment, other than any payment for leave taken in service, to which a Staff Specialist is entitled under this Award or applicable Act or statute which is expressed to be determined by reference to a Staff Specialist's salary, shall be calculated by reference to the salary and allowances which would have applied to the Staff Specialist in the absence of any salary sacrifice arrangements made pursuant to this Award.
- (j) Any pre-tax or post-tax payroll deductions must be taken into account prior to determining the amount of available salary to be sacrificed. Such payroll deductions may include but are not limited to superannuation payments, HECS payments, child support payments, judgement debtor/garnishee orders, union fees, and private health fund membership fees.

8. Salary Sacrifice for Superannuation

- (a) In this clause 'superannuable salary' means the Staff Specialist's salary as notified from time to time to the New South Wales public sector superannuation trustee corporations as per the relevant superannuation legislation governing the fund, or, in respect of Staff Specialists who elect to have contributions made to a non public sector superannuation scheme, 'superannuable salary' means the Staff Specialist's salary that would have been notified from time to time to the New South Wales public sector superannuation trustee corporations but for the Staff Specialist's election to have contributions made to a non public sector superannuation scheme.
- (b) Consistent with the provisions of clause 7. Salary Sacrifice, a Staff Specialist may elect, subject to the agreement of the Staff Specialist's employer, to sacrifice a part or all of his/her superannuable salary to additional employer superannuation contributions. Such election must be made prior to the commencement of the period of service to which the earnings relate. Subject to clause 9, the amount sacrificed may be up to 100% of the superannuable salary.
- (c) Where the Staff Specialist has elected to sacrifice a part or all of that superannuable salary to additional employer superannuation contributions:
 - (i) Subject to Australian Taxation Law, the sacrificed amount of superannuable salary will reduce the Staff Specialist's remuneration subject to appropriate PAYE taxation deductions by the amount sacrificed; and

- (ii) Any allowance, payment for unused leave entitlements, weekly workers' compensation, or other payment, other than any payment for leave taken in service, to which a Staff Specialist is entitled under this Award or any applicable Act or statute which is expressed to be determined by reference to a Staff Specialist's salary, shall be calculated by reference to the salary and allowances which would have applied to the Staff Specialist in the absence of any salary sacrifice arrangements made pursuant to this Award.

This clause applies even though the superannuation contributions made by the employer may be in excess of the superannuation guarantee requirements after the salary sacrifice is implemented.
 - (h) Any pre-tax and post-tax payroll deductions must be taken into account prior to determining the amount of available salary to be sacrificed. Such payroll deductions may include but are not limited to superannuation payments, HECS payments, child support payments, judgement debtor/garnishee orders, union fees and private health fund membership fees.

Expectations in respect of management responsibilities, quality improvement and clinical governance activities, post graduate and undergraduate teaching activities, continuing education, research, health outcomes.

Any part-time working arrangement in accordance with clause 13 of this Award or outside practice approvals in accordance with clause 15 of this Award.

- (f) The parties agree that clinical, research, teaching, administrative, quality improvement and managerial duties are important aspects of the Normal Duties of a staff specialist. The allocation of time to perform these duties will form part of the performance agreement process and be reviewed as part of the performance agreement review process.

13. Part-time Employment and Arrangements

- (a) Staff Specialists covered by this Award may, with the approval of the Employer, work part-time with the Employer by entering into a written Part-time Working Arrangement which may be varied from time to time by agreement.
- (b) The minimum period of work under a part-time working arrangement is 0.1 full-time equivalent (FTE).
- (c) Part-time Working Arrangements can either be on an on-going basis or for a fixed term (with subsequent return to full-time hours for permanent Staff Specialists). The type of working arrangement must be specified in the Part-time Working Arrangement and if the arrangement is for a fixed term, then the period of time must also be specified.
- (d) Transfer from an on-going Part-time Working Arrangement to full-time employment, or early termination of a fixed term Part-time Working Arrangement (with consequential return to full-time employment for permanent Staff Specialists) must be by agreement between the Staff Specialist and the Employer and recorded in writing.
- (e) A Staff Specialist employed under a Part-time Agreement pursuant to this clause will be entitled to accrue all entitlements including salary on a proportionate basis to a Staff Specialist employed on a full-time basis.
- (f) A Staff Specialist who works pursuant to a Part-time Agreement will progress to the next incremental step every 12 months from the date of the Staff Specialists commencement of employment, provided the work performed by the Staff Specialist extraneous to the Part-time Agreement is commensurate with the experience of a full-time Staff Specialist and is acceptable to the Employer. This subclause does not preclude accelerated progression.
- (g) Staff Specialists employed pursuant to a Part-time Working Arrangement must participate in the on-call roster to a reasonable extent. The on-call obligations of part-time Staff Specialists will be, wherever practicable, aligned to the part-time Staff Specialist's normal duties.
- (h) In determining reasonable on-call rosters for part-time Staff Specialists, consideration should be given to the level of on-call participation applicable to full-time and part-time Staff Specialists on the same on-call roster.
- (i) A Staff Specialist is required to provide a minimum notice period of three months when requesting the Employer's approval to reduce from full-time to part-time employment, or to

reduce a fractional appointment. The Employer may consider a lesser period of notice of the request where pressing personal circumstances apply.

14. Work Location

- (a) Subject to the provisions of this clause, a Staff Specialist may be required by the Employer to work at any of the hospitals, institutions or other health services conducted by the relevant public health organisation.
- (b) Before a requirement under subclause (a) above is made, the Employer will ensure that:
 - (i) the Staff Specialist is consulted in regard to the proposal to require work at another location;
 - (ii) the duties are consistent with the Staff Specialist's area of specialty, expertise and seniority and the Labour Flexibility clause of this Award;
 - (iii) the travel requirements are reasonable having regard to:
 - (1) the number of work locations,
 - (2) the frequency of attendance at each work location,
 - (3) the distance of those work locations from the Staff Specialist's place of residence at the time the Staff Specialist accepted his/her offer of appointment as a Staff Specialist, and
 - (4) the travelling time normally involved in attending the place of work at the time of making this Award;
 - (iv) while it is generally expected that Staff Specialists will not be required to provide services at more than two locations, in particular specialties, geographic circumstances or networking arrangements, Staff Specialists may be required to provide services at more than two locations;
 - (v) a Staff Specialist required to work at another location will have access to the same parking arrangements as those provided to other Staff Specialists at that location and shall be reimbursed by the Employer for any additional parking fees or road tolls paid as a consequence of working at more than one location;
 - (vi) where on call duties are rostered, the Staff Specialist is capable of returning to the workplace within a reasonable timeframe for an emergency call back (a change of the Staff Specialist's place of residence does not exempt the Staff Specialist from the on call obligations established at the time of his or her appointment or the obligations in place at the time of the making of this Award);
 - (vii) wherever practicable, on-call obligations are aligned to the Staff Specialist's normal duties. There shall be no additional on call obligations placed upon a Staff Specialist by reason of any requirement arising from this clause. In determining on-call rosters, consideration should be given to the level of on-call participation of other Staff Specialists on the same on-call roster;
 - (viii) the letter of appointment and/or the performance agreement will specify the locations where the Staff Specialist will be required to provide services. Where the Employer requires a Staff Specialist to commence work at an additional location not specified in the

letter of appointment/annual performance agreement, the Employer will give 3 months notice;

- (ix) regard is given to any family, carer or other personal responsibilities identified by the Staff Specialist so as to minimise any potential adverse impacts on those responsibilities;
- (x) a Staff Specialist required to work at another location will not be financially disadvantaged in regard to drawings, accounting fees for partnerships and reimbursement of medical indemnity payments made from the No.1 Account, as a result of any such requirement;
- (xi) the relevant factors for determining financial disadvantage will be:
 - (1) Drawings - percentage of maximum drawings paid to the Staff Specialist averaged over the last three full financial years (or for Staff Specialists where three years comparison is not available, such lesser periods as may be available by way of comparison) prior to the date on which the requirement to work at another location came into effect;
 - (2) Accounting fees for partnerships - the accounting fees for partnerships reimbursement received by or paid on behalf of the Staff Specialist, relative to her/his partnership share, averaged over the last three full financial years (or for Staff Specialists where three years comparison is not available, such lesser periods as may be available by way of comparison) prior to the date on which the requirement to work at another location came into effect; and
 - (3) Medical indemnity payments - percentage of indemnity reimbursement received by or paid on behalf of the staff specialist relative to the amount claimed where any differential is as a result of insufficient funds available in the No.1 Account, averaged over the last three full financial years (or for Staff Specialists where three years comparison is not available, such lesser periods as may be available by way of comparison) prior to the date on which the requirement to work at another location came into effect.

Where financial disadvantage occurs in relation to drawings, accounting fees for partnerships and medical indemnity reimbursement in accordance with these comparators, the Employer will provide supplementary funding to fully alleviate the financial disadvantage.

The supplementary funding, when provided, will be for an initial period of five years. At the conclusion of the five year period, the supplementary funding may be continued by approval of the Secretary of the NSW Ministry of Health.

- (xii) adequate resources are made available to the Staff Specialist at the additional work location;
- (xiii) the next annual performance review process will be the means of determining whether non-clinical time should be changed as a result of the requirement to work at another location;
- (xiv) reporting lines are clearly specified for each location at which the Staff Specialist is required to work;
- (xv) the requirement for a staff specialist to work at another location will not impose an unreasonable workload on the staff specialists remaining at the primary work location.

- (c) In the event that a Staff Specialist is required to work at an additional location and the Staff Specialist contends that the requirement is unreasonable and/or would have a harsh or unfair impact, the Staff Specialist may invoke the Issue Resolution clause of this Award.
- (d) These arrangements in no way proscribe the Employer's capacity to direct a Staff Specialist to temporarily work at a location other than the Staff Specialist's primary work location or locations where there is an emergency situation, subject to the Employer considering any personal circumstances that may be raised by the Staff Specialist.

15. Outside Practice and Other Business Activities

- (a) A full-time Staff Specialist must seek the Employer's approval to engage in medical practice, paid employment or other business activities otherwise than with the Employer.
- (b) Any such approval must be in writing, may be time limited, and must not conflict with the Staff Specialist's commitments to the Employer or obligations under the Code of Conduct issued by the Ministry of Health as varied from time to time.
- (c) Details of the proposed outside practice commitments, including the location, employer (if any), working times, duration of work, and any on-call commitments must be included in the request for approval.
- (d) Part-time staff specialists must notify the Employer of any outside practice (including services provided for another public health organisation or Division of the NSW Health Service). Where the Employer has identified a conflict of interest, or a significant risk of a conflict of interest or conflict with the employer's duty of care arising, and the staff member refuses to cease, or to make necessary adjustments to, his or her outside practice, the Employer may take action to resolve the conflict consistent with any applicable Ministry policies and the Code of Conduct as varied from time to time.
- (e) Subject to any commercial arrangement, a Staff Specialist is not to use any of the Employer's staff or property for activities associated with any outside practice they may undertake.
- (f) No outside practice is to be performed by a Staff Specialist during the span of hours designated for the performance of normal duties as applicable to him or her.

16. Postgraduate Fellow

- (a) Appointment as a post-graduate fellow will be limited to one year with eligibility for re-appointment on an annual basis for a maximum of 3 years unless there is specific agreement between the individual and the Employer for a lesser period.
- (b) Remuneration will be as outlined in Schedule 1 of Part B Monetary Rates of this Award.
- (c) Post-graduate fellows will be entitled to all other provisions of this Award as if they were appointed as a Staff Specialist, except for salary.

17. Annual Leave and Annual Leave Loading

A. Annual Leave

- (a) All Staff Specialists shall be allowed 5 weeks annual leave on full pay in respect of each 12 months service with the Employer plus 1 day on full pay in respect of each public holiday occurring within the period of such leave.

- (b) Staff Specialists who are employed in a specialty or category specified in Part C Schedule 3 to this Award and who are required to work on Sundays during a qualifying period of employment for annual leave purposes shall be entitled to receive additional annual leave in respect of each shift so worked as follows:
- if 30 or more Sunday shifts have been worked - one week;
- if less than 30 have been worked - leave proportionately calculated on the basis of 40 hours leave for 30 such shifts worked.
- (c) Annual leave shall be given and shall be taken within a period of 6 months after the date when the right to the annual leave accrued; provided that the giving and taking of the whole or any separate period of such annual leave may, by mutual agreement between the Employer and the Staff Specialist be postponed for a further period not exceeding 6 months.
- (d) If the Staff Specialist and the Employer so agree, the annual leave or any such separate period may be taken wholly or partly in advance, before the Staff Specialist has become entitled to that leave, but where leave is taken in such circumstances a further period of annual leave shall not commence to accrue until the expiration of the 12 months in respect of which the annual leave or part thereof has been so taken.
- (e) Except as provided by this clause, payment shall not be made by the Employer to a Staff Specialist in lieu of any annual leave or part thereof nor shall any such payment be accepted by the Staff Specialist.
- (f) Subject to the provisions of the New South Wales Annual Holidays Act 1944, the Staff Specialist and the Employer should determine a mutually agreeable date from which annual leave is to be taken and unforeseen circumstances excepted, agreement should be reached two months prior to the commencement of the annual leave.
- (g) The Employer shall pay each Staff Specialist before entering upon annual leave his/her salary for the period of leave if requested by the Staff Specialist, otherwise, the payment will be made in the usual pay period.
- (h) Where the employment of a Staff Specialist is terminated, the Staff Specialist shall be entitled to receive proportionate payment for each completed month of service at the salary which such Staff Specialist is entitled under this Award.
- (i) Where the annual holiday under this clause or any part thereof has been taken in advance by a Staff Specialist pursuant to subclause (d) of this clause, and
- (i) the employment of the Staff Specialist terminates before he/she has completed the year of employment in respect of which such annual holiday or any part was taken; and
- (ii) the sum paid by the Employer to the Staff Specialist as ordinary pay for the annual holiday or any part so taken in advance exceeds the sum which the Employer is required to pay to the Staff Specialist under subclause (g) of this clause;

the Employer shall not be liable to make any payment to the Staff Specialist under the said subclause (g), and shall be entitled to deduct the amount of such excess from any remuneration payable to the Staff Specialist upon the termination of the employment.

B. Entitlement to Annual Leave Loading or Shift Allowances and Weekend Penalties

- (a) Staff Specialists who become entitled to and take annual leave pursuant to Part A of this clause, shall be paid ordinary salary plus either:
 - (i) an annual leave loading in respect of that entitlement equivalent to 17.5% of four weeks ordinary salary, not exceeding the amount equivalent to 17.5% of four weeks ordinary salary for maximum salary of Clerk Grade 12 under the provisions of the *Crown Employees (Administrative and Clerical Officers - Salaries 2007) Award* varied from time to time; or
 - (ii) in the case of a Staff Specialist employed in a specialty or category specified in Part C Schedule 3 to this Award who would have earned shift allowances and/or weekend penalties in excess of the amount of annual leave loading indicated in subclause (a) (i) above, had he/she not taken annual leave; those shift allowances and weekend penalties relating to the ordinary time the Staff Specialist would have earned had he/she not taken annual leave (provided that shift allowances and weekend penalties shall not be payable for public holidays which occur during a period of annual leave).
- (b) In respect of a Staff Specialist who becomes entitled to take annual leave pursuant to subclause (a) of Part B of this clause, and takes that annual leave in broken periods; both the annual leave loading and the maximum amount referred to in subclause (a) (i) of Part B of this clause are to be calculated pro rata for the broken period being taken in the same proportion as the period being taken bears to four weeks. The resultant amount of annual leave loading calculated for the broken period of annual leave, not exceeding the maximum amount calculated for the same broken period, is to be paid to the Staff Specialist in addition to ordinary salary for the period.
- (c) In respect of a Staff Specialist employed in a specialty or category specified in Part C Schedule 3 of this Award, who becomes entitled to take annual leave pursuant to Part A of this clause, and who takes that annual leave in broken periods, the entitlement to annual leave loading and the maximum amount are to be calculated in the same way as indicated in subclause (b) of Part B of this clause, for the period of annual leave being taken compared with the ordinary time shift allowances and weekend penalties the Staff Specialist would have earned had he/she not taken the annual leave (provided that shift allowances and weekend penalties shall not be payable for public holidays which occur during the period of annual leave), and the greater of either the calculated annual leave loading (not exceeding the calculated maximum amount) or ordinary time shift allowances and weekend penalties is to be paid to the Staff Specialist in addition to ordinary salary for the period.
- (d) The entitlement to annual leave loading or shift allowances and weekend penalties referred to in subclauses (a) (b) and (c) of Part B of this clause are to be calculated and paid at the same time as the annual leave is paid.
- (e) Annual leave loading is to be calculated at the rate of ordinary salary payable when the annual leave is taken (except provided for in subclause (f) of Part B of this clause), and excludes allowances, penalty or disability rates, commission, bonuses or incentive payments etc. Where the ordinary rate payable changes effective from a date falling within a period of annual leave, the changed rate is to be taken into account, and if necessary, adjustments calculated and corrections to pay made.
- (f) No annual leave loading is payable to a Staff Specialist who takes annual leave wholly or partly in advance of becoming entitled to such annual leave, except if his/her employment continues until the day he/she would have become entitled to take such annual leave, in

which case the loading then becomes payable on that day (calculated on rates applicable on that day) in respect of the period/s of annual leave already taken wholly or partly in advance. Staff specialists employed in a specialty or category specified in Part C Schedule 3 of this Award already paid ordinary time shift allowances and weekend penalties in respect of annual leave taken wholly or partly in advance are not eligible to be paid annual leave loading under this subclause.

- (g) No annual leave loading or shift allowances and weekend penalties are payable to a Staff Specialist who is paid the monetary value of annual leave to his/her credit on resignation (not including retirement).
- (h) Upon retirement of a Staff Specialist or upon termination by the Employer of a Staff Specialist for any reason other than misconduct, the Staff Specialist shall be paid annual leave loading on that annual leave which he/she had become entitled to take that the loading would have applied to had the annual leave been taken.
- (i) In respect of that additional annual leave accrued by virtue of being rostered to work and working ordinary hours shifts on Sundays pursuant to subclause (b) of Part A of this clause, no annual leave loading is payable. Staff specialists employed in a specialty or category specified in Part C Schedule 3 of this Award are to be paid, in addition to ordinary salary for such annual leave period/s the ordinary time shift allowances and weekend penalties the Staff Specialist would have earned had he/she not taken the annual leave (provided that shift allowances and weekend penalties shall not be payable for public holidays which occur during the period of annual leave).

C. Pay out of Additional Accrued Annual Leave

A Staff Specialist entitled to such additional paid annual leave can elect at any time to be paid an amount equivalent to the value of accrued additional annual leave in lieu of taking the additional leave. This can include additional annual leave accrued through recognised prior service in a classification other than as a Staff Specialist, provided that such leave is additional to that available under clause 3(1)(b) of the *Annual Holidays Act 1944*.
- (b) Such salary for the period of additional leave paid out will be calculated in the manner detailed at subclause (g) below.

- (d) Each election for cashing in additional leave shall be by way of a separate request. Payment shall be made provided the request is received by the employer with a minimum of four weeks' notice, with the payment being effected on the next usual pay day for that employee following the conclusion of such minimum notice.

- (f) The amount of accrued additional annual leave to be cashed in will be at the discretion of the requesting Staff Specialist, who may nominate a number of hours or days or weeks. Such nomination will be for a minimum of 40 hours/ five days/one week of additional annual leave.

(g) Payment of accrued additional annual leave shall occur as follows:

(i) Staff Specialists Level 1

Cashing in is at the rate that would have been otherwise payable if the annual leave was actually taken. This rate is the applicable salary as set out in Part B Schedule 1 'Salary Rates' of this Award, plus the Special Allowance and the Level 1 Private Practice Allowance specified in the Staff Specialists Determination, as varied from time to time.

Such payment will include those additional components considered salary for all purposes e.g. Managerial Allowance, where payable to the Staff Specialist.

(iii) Staff Specialists Levels 4 and 5

Cashing in is at the rate determined by the applicable salary as set out in Part B Schedule 1 'Salary Rates' of this Award, plus the Special Allowance, as varied from time to time, but does not include any drawing rights payable pursuant to the rights of private practice provisions of the Staff Specialists Determination.

- (c) a Staff Specialist shall not be entitled to sick leave on full pay for any period in respect of which such Staff Specialist is entitled to workers' compensation; provided, however, that the Employer shall pay to a Staff Specialist who has a sick leave entitlement under this clause the difference between the amount received as workers' compensation and full pay. The Staff Specialist's sick leave entitlement under this clause shall, for each week during which such difference is paid, be reduced by that proportion of 1 week which the difference paid bears to full pay.

No information relating to the details of the family violence will be kept on an employee's personnel file without their express permission. 22. Maternity, Adoption and Parental Leave

A. Maternity Leave

(a) Eligibility

To be eligible for paid maternity leave a full-time or part-time Staff Specialist must have completed at least 40 weeks continuous service prior to the expected date of birth.

A Staff Specialist who has once met the conditions for paid maternity leave will not be required to again work the 40 weeks continuous service in order to qualify for a further period of paid maternity leave, unless-

- (i) there has been a break in service where the Staff Specialist has been re-employed or re-appointed after a resignation, medical retirement, or after her services have been otherwise dispensed with; or
- (ii) the Staff Specialist has completed a period of leave without pay of more than 40 weeks. In this context, leave without pay does not include sick leave without pay, maternity leave without pay, or leave without pay associated with an illness or injury compensable under the *Workers' Compensation Act (NSW) 1987* as varied from time to time.

(b) Portability of Service for Paid Maternity Leave

Portability of service for paid maternity leave involves the recognition of service in government sector agencies for the purpose of determining a Staff Specialist's eligibility to receive paid maternity leave. For example, where a Staff Specialist moves between a public service department and a public hospital, previous continuous service will be counted towards the service prerequisite for paid maternity leave.

When determining a Staff Specialist's eligibility for paid maternity leave, continuous service with an organisation that is part of the government sector as defined in the *Government Sector Employment Act 2013*, as varied from time to time, will be recognised, provided that:

- (i) service was on a full-time or part-time basis:
- (ii) cessation of service with the former government sector agency was not by reason of dismissal on any ground, except retrenchment or reduction of work;

- (iii) the Staff Specialist commences duty with the Employer within two months of ceasing employment with the former government sector agency. Where there is such a break in service, such break will not be counted as service for the purpose of calculating any prior service prerequisite for paid maternity leave.

(c) Entitlement to Paid Maternity Leave

An eligible Staff Specialist is entitled to fourteen weeks at the ordinary rate of pay from the date maternity leave commences. This leave may commence up to fourteen weeks prior to the expected date of birth.

It is not compulsory for a Staff Specialist to take this period off work. However, if a Staff Specialist decides to work during the nine weeks prior to the date of birth it is subject to the Staff Specialist being able to satisfactorily perform the full range of normal duties.

Paid maternity leave may be paid:

on a normal fortnightly basis; or

in advance in a lump sum; or

at the rate of half pay over a period of twenty-eight weeks on a regular fortnightly basis.

Annual and/or long service leave credits can be combined with periods of maternity leave on half pay to enable a Staff Specialist to remain on full pay for that period.

(d) Unpaid Maternity Leave

- (i) Full-time and part-time Staff Specialists who are entitled to paid maternity leave are entitled to a further period of unpaid maternity leave of not more than 12 months after the actual date of birth.

- (ii) Full-time and part-time Staff Specialists who are not eligible for paid maternity leave are entitled to unpaid maternity leave of not more than 12 months.

(e) Applications

A Staff Specialist who intends to proceed on maternity leave should formally notify the Employer of such intention as early as possible, so that arrangements associated with her absence can be made.

Written notice of not less than eight weeks prior to the commencement of the leave should accordingly be given. This notice must include a medical certificate stating the expected date of birth and should also indicate the period of leave desired.

(f) Variation after Commencement of Leave

After commencing maternity leave, a Staff Specialist may vary the period of her maternity leave once only without the consent of the Employer by giving the Employer notice in writing of the extended period at least fourteen days' before the start of the extended period. The Employer may accept less notice if convenient.

A Staff Specialist may extend the period of maternity leave at any time with the agreement of the Employer.

The conditions relating to variation of maternity leave are derived from Section 64 of the *Industrial Relations Act 1996*.

(g) Staffing Provisions

In accordance with obligations established by the *Industrial Relations Act 1996* (Section 69) any person who occupies the position of a Staff Specialist on maternity leave must be informed that the Staff Specialist has the right to return to her former position. Additionally, since a Staff Specialist has the right to vary the period of her maternity leave, offers of temporary employment should be in writing, stating clearly the temporary nature of the contract of employment. The duration of employment should be also set down clearly; to a fixed date or until the Staff Specialist elects to return to duty, whichever occurs first.

(h) Effect of Maternity Leave on Accrual of Leave, Increments etc.

When the Staff Specialist has resumed duties, any period of full pay leave is counted in full for the accrual of annual leave, sick leave and long service leave and any period of maternity leave on half pay is taken into account to the extent of one half thereof when determining the accrual of annual leave, sick leave and long service leave.

Except in the case of Staff Specialists who have completed ten years' service the period of maternity leave without pay does not count as service for long service leave purposes. Where the Staff Specialist has completed ten years' service the period of maternity leave without pay shall count as service provided such leave does not exceed six months.

Maternity leave without pay does not count as service for incremental purposes. Periods of maternity leave at full pay and at half pay are to be regarded as service for incremental progression on a pro-rata basis.

Where public holidays occur during the period of paid maternity leave, payment is at the rate of maternity leave received i.e., public holidays occurring in a period of full pay maternity leave are paid at full rate and those occurring during a period of half pay leave are paid at half rate.

(i) Illness Associated with Pregnancy

If, because of an illness associated with her pregnancy a Staff Specialist is unable to continue to work then she can elect to use any available paid leave (sick, annual and/or long service leave) or to take sick leave without pay.

Where a Staff Specialist is entitled to paid maternity leave, but because of illness, is on sick, annual, long service leave, or sick leave without pay prior to the birth, such leave ceases nine weeks prior to the expected date of birth. The Staff Specialist then commences maternity leave with the normal provisions applying.

(j) Transfer to a More Suitable Position

Where, because of an illness or risk associated with her pregnancy, a Staff Specialist cannot carry out the duties of her position, the Employer is obliged, as far as practicable, to provide employment in some other position that she is able to satisfactorily perform. This obligation arises from Section 70 of the *Industrial Relations Act 1996*. A position to which a Staff Specialist is transferred under these circumstances must be as close as possible in status and salary to her substantive position.

(k) Miscarriages

In the event of a miscarriage any absence from work is to be covered by the current sick leave provisions.

(l) Stillbirth

In the case of a stillbirth, (as classified by the Registry of Births, Deaths and Marriages) a Staff Specialist may elect to take sick leave, subject to production of a medical certificate, or maternity leave. She may resume duty at any time provided she produces a doctor's certificate as to her fitness.

(m) Effect of Premature Birth on Payment of Maternity Leave

A Staff Specialist who gives birth prematurely and prior to proceeding on maternity leave shall be treated as being on maternity leave from the date leave is commenced to have the child. Should a Staff Specialist return to duty during the period of paid maternity leave, such paid leave ceases from the date duties are resumed.

(n) Right to Return to Previous Position

In accordance with the obligations set out in Section 66 of the *Industrial Relations Act* 1996, a Staff Specialist returning from maternity leave has the right to resume her former position.

Where this position no longer exists the Staff Specialist is entitled to be placed in a position nearest in status and salary to that of her former position and to which the Staff Specialist is capable or qualified.

(o) Further Pregnancy While on Maternity Leave

Where a Staff Specialist becomes pregnant whilst on maternity leave a further period of maternity leave shall be granted. If a Staff Specialist enters on the second period of maternity leave during the currency of the initial period of maternity leave, then any residual maternity leave from the initial entitlement ceases

A Staff Specialist who commences a subsequent period of maternity leave while on unpaid maternity leave under subclause (d)(i) of Part A of this clause or subclause (a)(ii) of Part D of this clause is entitled to be paid at their normal rate (i.e. the rate at which they were paid before proceeding on maternity leave).

A Staff Specialist who commences a subsequent period of maternity leave during the first 12 months of a return to duty on a part-time basis as provided under subclause (a)(iii) of Part D of this clause is entitled to be paid at their substantive full-time rate for the subsequent period of maternity leave.

A Staff Specialist who commences a subsequent period of maternity leave more than 12 months after returning to duty on a part-time basis under subclause (a)(iii) of Part D of this clause, will be entitled to paid maternity leave for the subsequent period of maternity leave at their part-time rate.

B. Adoption Leave

(a) Eligibility

All full-time and part-time Staff Specialists who are adopting a child and are to be the primary care giver of the child are eligible for unpaid adoption leave.

To be eligible for paid adoption leave a full-time or part-time Staff Specialist must also have completed at least 40 weeks continuous service prior to the date of taking custody of the child.

A Staff Specialist who has once met the conditions of paid adoption leave, will not be required to again work the 40 weeks continuous service in order to qualify for further periods of paid adoption leave, unless

- (i) there has been a break in service where the Staff Specialist has been re-employed or re-appointed after a resignation, medical retirement, or after their services have been otherwise dispensed with; or
- (ii) the Staff Specialist has completed a period of leave without pay of more than 40 weeks. In this context, leave without pay does not include sick leave without pay, maternity leave without pay, or leave without pay associated with an illness or injury compensable under the *Worker's Compensation Act (NSW) 1987* as varied from time to time.

(b) Portability of Service for Paid Adoption Leave

(d) Applications

Due to the fact that a Staff Specialist may be given little notice of the date of taking custody of a child, Staff Specialists who believe that, in the reasonably near future, they will take custody of a child, should formally notify the employer as early as practicable of the intention to take adoption leave. This will allow arrangements associated with the adoption leave to be made.
