

**Determination No 16 of 2013
Environmental Health Officers'
Out of Hours Allowance**

In accordance with the provisions of section 116A(1) of the *Health Services Act 1997* and Delegation S117 of the Ministry of Health's Combined Administrative Financial Staff Delegations Manual, I, Trevor Craft, Deputy Director, Workplace Relations Branch of the Ministry of Health, determine that:

An Environmental Health Officer who is required to be contactable out of hours for recall to duty at the request of management is entitled to an out of hours allowance.

This allowance is payable to one Environmental Health Officer per Public Health Unit at any one time.

The value of the out of hours allowance is \$6.80. The allowance is payable on a 24 hour basis. Where out of hours requirements are less than 24 hours, the value of the allowance is \$6.80. The maximum value of the allowance over a seven day period is \$47.60.

This Determination will have immediate application.

Signed at Sydney this *5th* day of December 2013.
