

## DETERMINATION No 14 of 2013

### Health Managers Level 5 and above - approval for an allocated day off

In accordance with the provisions of section 116A(1) of the *Health Services Act 1997* and Delegation s117 of the Ministry of Health's Combined Administrative Financial Delegations Manual, I Trevor Craft, Deputy Director, Workplace Relations, of the NSW Ministry of Health confirm that Health Managers Level 5 and above who are employed under the Health Managers (State) Award have approval for one allocated day off per month. This is subject to the following conditions:

- the convenience and approval of the Chief Executive of the NSW Health organisation and
- that the one allocated day off per month is not cumulative and if not taken is forfeited.

This Determination remains in force until rescinded or replaced.
