

CORONER'S CREMATION PERMIT

PUBLIC HEALTH REGULATION, 2012 Clause 83(1)

Name of deceased:

Last address of deceased:

I certify that:

1. The death of the deceased has been duly reported to a Coroner.
2. I have carefully perused the application for cremation made under Clause 79(1) of the Public Health Regulation 2012 in respect of the deceased.
3. I have received a medical report of an examination of the body of the deceased, in which it is stated that the cause of death was:
.....
.....
4. I consider that no circumstance exists which can render necessary any further examination of the remains of the deceased.
5. I am satisfied that there is not any implanted or battery powered device attached to or present in the body of the deceased.
6. I am satisfied that there was no radioactive substance or implant administered in the year prior to death which would prevent or impair cremation of the deceased.
7. I am satisfied that the deceased left no written objection to his/her body being cremated, and that no near relative of the deceased has expressed any objection to the cremation.

I therefore authorise the cremation of the remains of the deceased to which this permit relates.
