

Nepean Endocrinology Department Advanced Trainee  
Information Session  
Tuesday 13th of August 6:30pm – 7:30pm

Auditorium, level 2, The Nepean Clinical School Building  
62 Derby Street Kingswood

We have 2 RCY positions and one STP position (the latter best suited to a third-year trainees) as per the training information website and 0.5FTE elective position in inpatient diabetes management under the Leading Better Value Care Ministry of Health initiative.

We are happy to provide information regarding these positions on the night and opportunities for research and teaching. We will have one of our trainees there on the night to assist in answering your questions.

Dr Kathryn Williams  
Associate Professor Emily Hibbert
