

Northern Paediatric Physician Training Network

Information Evening

Are you interested in becoming a Paediatrician?

Have a desire to complete all your Basic and Advanced Training within one Network?

You are invited to join our information session about training in Paediatric with the Northern Paediatric Physician Training Network.

Listen to the Director of Paediatric Education, Chief Resident Medical Officer and JMO Manager talk about the Network and what it is like to train in our Network.

You will be welcome to ask questions.
