**UROLOGY DEPARTMENT NEPEAN HOSPITAL**

**Referral Doctor: Dr Bertram Canagasingham**

**Urodynamics Clinic:**

**Opening hours: Wed 1:00pm - 4:00pm**

**PATIENT INFORMATION – FLOW TEST**

**Patient Details:**

<b>Patient Name:</b>	<b>Date of Birth:</b>
<b>Parent / Carer Name</b>	
<b>Address:</b>	
<b>Phone:</b>	
<b>Medicare No:</b>	
<b>Appointment Date:</b>	
<b>Appointment Time:</b>	

**PATIENT INFORMATION**

Please go to **A11C, Level 11, Building A, Ward 11C, Nepean Hospital.**

**PATIENT PREPARATION.**

- You will need to arrive for the study with a comfortably full bladder.
- Drink a sufficient volume of water to allow you to pass a normal flow of urine on arrival for the test.
- If you have difficulty retaining fluid or discomfort in travelling in this condition, you may arrive at least half to 1 hour before your appointment time and drink some water while waiting for your test.
- The test will take about 15 minutes, and you can return home immediately after the study.
- Please bring your Medicare card with you on the day of the study.

If you require any further information, please contact your Specialist or GP.
