**Notes**

1 Sections 13–16 of the *Mental Health Act 2007* state:

**13 Criteria for involuntary admission etc as mentally ill person or mentally disordered person**

A person is a mentally ill person or a mentally disordered person for the purpose of:

- (a) the involuntary admission of the person to a mental health facility or the detention of the person in a facility under this Act, or
- (b) determining whether the person should be subject to a community treatment order or be detained or continue to be detained involuntarily in a mental health facility,

if, and only if, the person satisfies the relevant criteria set out in this Part.

**14 Mentally ill persons**

(1) A person is a mentally ill person if the person is suffering from mental illness and, owing to that illness, there are reasonable grounds for believing that care, treatment or control of the person is necessary:

- (a) for the person’s own protection from serious harm, or
- (b) for the protection of others from serious harm.

(2) In considering whether a person is a mentally ill person, the continuing condition of the person, including any likely deterioration in the person’s condition and the likely effects of any such deterioration, are to be taken into account.

**15 Mentally disordered persons**

A person (whether or not the person is suffering from mental illness) is a mentally disordered person if the person’s behaviour for the time being is so irrational as to justify a conclusion on reasonable grounds that temporary care, treatment or control of the person is necessary:

- (a) for the person’s own protection from serious physical harm, or
- (b) for the protection of others from serious physical harm.

**16 Certain words or conduct may not indicate mental illness or disorder**

(1) A person is not a mentally ill person or a mentally disordered person merely because of any one or more of the following:

- (a) the person expresses or refuses or fails to express or has expressed or refused or failed to express a particular political opinion or belief,
- (b) the person expresses or refuses or fails to express or has expressed or refused or failed to express a particular religious opinion or belief,
- (c) the person expresses or refuses or fails to express or has expressed or refused or failed to express a particular philosophy,
- (d) the person expresses or refuses or fails to express or has expressed or refused or failed to express a particular sexual preference or sexual orientation,
- (e) the person engages in or refuses or fails to engage in, or has engaged in or refused or failed to engage in, a particular political activity,
- (f) the person engages in or refuses or fails to engage in, or has engaged in or refused or failed to engage in, a particular religious activity,
- (g) the person engages in or has engaged in a particular sexual activity or sexual promiscuity,
- (h) the person engages in or has engaged in immoral conduct,
- (i) the person engages in or has engaged in illegal conduct,
- (j) the person has an intellectual disability or developmental disability,
- (k) the person takes or has taken alcohol or any other drug,
- (l) the person engages in or has engaged in anti-social behaviour,
- (m) the person has a particular economic or social status or is a member of a particular cultural or racial group.

(2) Nothing in this Part prevents, in relation to a person who takes or has taken alcohol or any other drug, the serious or permanent physiological, biochemical or psychological effects of drug taking from being regarded as an indication that a person is suffering from mental illness or other condition of disability of mind.

2 In addition to matters ascertained as a consequence of personally/by audio visual link examining or observing the person, account may be taken of other matters not so ascertained where those matters:

- (a) arise from a previous examination of the person, or
- (b) are communicated by a reasonably credible informant.

- (2) An authorised medical officer at a mental health facility or a director of community treatment may, for the purposes of complying with a provision of this Act or the regulations, determine who is the principal care provider of a person.
- (3) The authorised medical officer or the director of community treatment must not determine that a person is the principal care provider of another person if the person is excluded from being given notice or information about the other person under this Act.
- (4) An authorised medical officer or a director of community treatment is not required to give effect to a requirement relating to a principal care provider of a person under this Act or the regulations if the officer or director reasonably believes that to do so may put the person or the principal care provider at risk of serious harm.
- (5) A principal care provider of a person may also be a designated carer of the person.

5 For admission purposes, this certificate is valid only for a period of 5 days, in the case of a person who is a mentally ill person, or 1 day, in the case of a person who is a mentally disordered person, after the date on which the certificate is given.

6 An examination or observation may be carried out by audio visual link by a medical practitioner or accredited person if it is not reasonably practicable for a medical practitioner or accredited person to personally examine or observe a person for the purposes of this form.
