The Department of Communities and Justice (DCJ) and NSW Health are inviting comments from stakeholders about the Housing and Mental Health Agreement 2022 (HMHA 22) supporting frameworks.

Consultation feedback can be submitted by one of the two following methods:

1. Completion of the online survey at <https://www.surveymonkey.com/r/HMHA22>
2. Submitting a written response to moh-housingandmentalhealthagreement2022@health.nsw.gov.au

If you are making a written response you can use this form if you want to. Or you can submit a word or PDF document.

Note:

HMHA 22 is about ongoing collaboration. DCJ and NSW Health are asking for respondent contact details so we can get further information about your response if needed and provide updates about the HMHA 22 implementation.

Questions marked with a * require an answer.

If you need supporting making a submission you can contact the project team at moh-housingandmentalhealthagreement2022@health.nsw.gov.au

Privacy agreement

I agree to the Privacy Notice and Terms and Conditions at Attachment A to this document*

Yes

Note: If you do not accept the Privacy Notice and Conditions, please do not complete or submit this form.

Your details

First name*

Last name*

E-mail
address*

------------	---

Monitoring and Reporting Framework

Q15 Do you have any comments about the proposed purpose and principles of this framework?

Q16 Is there anything you would like included in the annual HMHA 22 communique? And why?

Q17 What is your view on developing a linked data set to inform the HMHA 22 outcome indicators? Do you have any other data sets you would recommend be included and why?

Q18 What are your thoughts on the indicators presented? Do you have other measurable outcomes you would want prioritised / investigated?

Q19 Do you have any comments about the proposed purpose and principles of this framework?

Q20 Do you have any other final comments you would like to make about the any of the HMHA 22 supporting frameworks or their implementation?

Privacy Notice and Terms and Conditions for responses

Purpose for collection of information relating to responses, and the use and disclosure of that information

NSW Health and the Department of Communities and Justice invite you to comment on the Housing and Mental Health Agreement 2022 (HMHA 22) draft supporting frameworks.

Through the process, NSW Health and DCJ will be collecting certain information, including personal information. The information collected may include your name, your email address, the organisation you represent (if applicable) and any other information that is included in your response.

NSW Health and DCJ may use and disclose this information for the purposes of informing or contributing to the implementation of HMHA 22, policy development related to the HMHA 22, publishing responses (including by making responses publicly available), and providing feedback to the relevant Minister's and response process.

NSW Health and DCJ may also contact you to provide updates on the progress of HMHA 22.

Third party information, including of individuals, in responses

If you are making a response on behalf of an organisation, you must ensure that you have that organisation's agreement prior to lodging the response. By lodging a response, you are confirming that you have such agreement.

If there is information in your response referencing an individual, which is not otherwise publicly available, you must ensure that you have the consent of the individual to whom the information relates to include it in the response. By lodging a response, you are confirming that you have such consent.

By lodging a response, you are confirming that your response does not contain any confidential information about any individual or organisation.

Privacy policy and contact

For further information about the NSW Health and DCJ privacy policy and how it deals with information, including how you can access or correct your personal information, please see the [DCJ](#) or [NSW Health](#) privacy policy.

For any queries relating to this Privacy Notice and Terms and Conditions for responses, HMHA 22 or your responses please contact the project team via email at:
