Medical Practitioner registered in the field of specialty practice of infectious diseases
--

Medical Practitioner registered in the field of specialty practice of paediatric infectious diseases

2 Authorisation

2A Authorisation for persons specified in Table 1A

This instrument authorises a person specified in Table 1A of this instrument to prescribe and supply ivermectin:

- i. for the treatment of persons under their care for an indication that is accepted by the Secretary of the Australian Government Department of Health in relation to the inclusion of ivermectin in tablet dosage form in the Australian Register of Therapeutic Goods (an approved indication); or
- ii. for use in a clinical trial that is approved by, or notified to, the Secretary of the Australian Government Department of Health under the *Therapeutic Goods Act 1989*; or
- iii. in topical preparations, for the treatment of persons under their care; or
- iv. for the treatment of persons under their care in a public hospital.

In this instrument, public hospital has the same meaning as in the Regulation.

2B Authorisation for persons specified in Table 1B

This instrument authorises a person specified in Table 1B of this instrument to prescribe and supply ivermectin for an indication that is **not** an approved indication.

3 Validity

This authority commences on the day it is signed and dated and expires on 30 September 2025 or otherwise on a date that this authority is cancelled.
