

Application for Authority to Prescribe a Schedule 8 Drug – Psychostimulant

Note: This form is to be used to apply for an authority to prescribe a psychostimulant for an adult with any diagnosis, or for a child who does not have a diagnosis of Attention Deficit Hyperactivity Disorder (ADHD). There is a separate application form for children with ADHD, available online at <http://www.health.nsw.gov.au/pharmaceutical>

This form is available online in PDF format (<http://www.health.nsw.gov.au/pharmaceutical>) and should be filled in electronically using a computer.

If completing the form by hand, please use BLOCK LETTERS and ensure that all details are legible.

Eligible applications are generally processed within 7 business days.
