

Patient Transport Service

PATIENT LUGGAGE RESTRICTIONS

PRINCIPLES:

- **Only two items** of baggage can be brought with a patient – a personal item, (i.e. laptop bag or handbag) and another small luggage bag.
- Items need to be secured in the vehicle to ensure safety of all on board. Therefore, each item of luggage **must have a handle**.

RESTRICTIONS:

PERSONAL ITEM

Weight: Should not exceed 3kg

Dimensions: No larger than 36cm x 43cm x 12.5cm

LUGGAGE BAG

Weight: Should not exceed 7kg

Dimensions: No larger than 48cm x 34cm x 23cm

Thanks for helping us keep our patients and staff safe during transport.
