

2007-2008 Child Health Survey Data Dictionary

Variable Name	Type Length	Format	Variable label	Script Question	Coding and Comments	Code frame
A3	\$1	\$CA3F	Asthma interfere with daily life	During the past 4 weeks, did child's asthma interfere with their ability to manage their day to day activities?	Single response	1. Yes 2. No R. Refused X. Don't know
A4	\$1	\$CA4F	Severity of asthma interference	Did it interfere with these activities:	Single response [Read out]	1. A little bit 2. Moderately 3. Quite a lot 4. Extremely R. Refused X. Don't Know
AGE	8		AGE : AGE IN YEARS - 0-11 months=0yrs 12-23 months=1yr (CALN)			
ALCP2	\$1	\$CALCP2 F	Alcohol during pregnancy	When you were pregnant with child, did you ever drink alcohol?	Single response [Read out]	1. Yes 2. No R. Refused X. Don't know
ALCP3	\$1	\$CALCP3 F	Alcohol quitting status during pregnancy	When you were pregnant with child, did you...	Single response [Read out]	1. Reduce the amount of alcohol you drank 2. Try to give up drinking alcohol but were unsuccessful 3. Successfully gave up drinking alcohol 4. None of the

						above R. Refused X. Don't know
ARHSRES	\$4	\$AHS	Area Health Service			X500. Sydney South West X510. South Eastern Sydney & Illawarra X520. Sydney West X530. Northern Sydney & Central Coast X540. Hunter & New England X550. North Coast X560. Greater Southern X570. Greater Western
ARIAPLUSC	\$14	\$ARIAPLS	Remoteness Quintile		The Accessibility-Remoteness Index of Australia Plus (ARIA+) is the standard Australian Bureau of Statistics endorsed measure of remoteness. It is derived using the road distances from populated localities to the nearest service centres across Australia. ARIA+ is grouped into 5 categories: major cities, inner regional, outer regional, remote, and very remote, using postcodes from survey respondents.	1. Major Cities 2. Inner Regional 3. Outer Regional 4. Remote 5. Very Remote
AST1	\$1	\$CAST1F	Ever told by doctor have asthma	Have you ever been told by a doctor or at a hospital that child has asthma?	Single response	1. Yes 2. No R. Refused

						X. Don't know
AST2	\$1	\$CAST2F	Asthma symptoms or treatment in last 12 months	Has child had symptoms of asthma or taken treatment for asthma in the last 12 months?	Single response	1. Yes - symptoms 2. Yes - treatment 3. Yes - both 4. No R. Refused X. Don't know
BKOF	\$1	\$CBKOFF	How often look at books with child	In a typical week, how often do you or other members of your family read or look at books with child?	Single response	1. Every Day 2. At least once a week 3. At least once a month 4. Rarely R. Refused X. Don't know
BOOK	\$1	\$CBOOK F	Read Books to Child	Do you or other members of your family read or look at books with child?	Single response	1. Yes 2. No R. Refused X. Don't know
BREAST 1	8		Months of any breastfeeding		Derived variable which includes the weeks and months a child was breastfed for if the child was not currently breastfed and the age of the child if the child was still being breastfed at the time of the interview.	
BREAST 1T	8		Censoring status of months of any breastfeeding		Derived variable used in survival analysis of the months of any breastfeeding. 1 = uncensored value (based on breastfeeding duration) and 0 = censored value (based on child's age)	
BREAST 2	8		Months of fully breastfeeding		Derived variable which includes the weeks and months a child was fully breastfed for if the child was	

					not currently breastfed and the age of the child if the child was still being fully breastfed at the time of the interview.	
BREAST 2T	8		Censoring status of months of fully breastfeeding		Derived variable used in survival analysis of the months of fully breastfeeding. 1 = uncensored value (based on breastfeeding duration) and 0 = censored value (based on child's age)	
BREAST 3	8		Months of exclusive breastfeeding		Derived variable which includes the weeks and months a child was exclusively breastfed for if the child was not currently breastfed and the age of the child if the child was still being fully breastfed at the time of the interview.	
BREAST 3T	8		Censoring status of months of exclusive breastfeeding			
BREAST 6A	8		Months of introducing solid food		Derived variable which includes the age when a child was given solids regularly for the first time and the age of the child if the child had not been given solids yet	
BREAST 6AT	8		Censoring status of months of introducing solid food		Derived variable used in survival analysis of the months of introducing solids. 1 = uncensored value (based on age solids introduced) and 0 = censored value (based on child's current age)	
BREAST 6M	8		Months of introducing milk substitute food		Derived variable which includes the age when a child was given breastmilk substitutes regularly	

					for the first time and the age of the child if the child had not been given breastmilk substitutes	
BREAST 6MT	8		Censoring status of months of introducing milk substitute food		Derived variable used in survival analysis of the months of introducing breastmilk substitutes. 1 = uncensored value (based on introducing breastmilk substitutes) and 0 = censored value (based on child's age)	
BUR1_1	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Remove clothing	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_2	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Run under cool or cold water	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_3	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Immerse in cool or cold water	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_4	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Keep yourself/child warm	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_5	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Get medical assistance	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_6	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Other [SPECIFY]	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_7	\$1	\$C_MC_CD	Recommended first aid treatment for burn or scald : Don't know	What is the recommended first aid treatment for a burn or scald?	Part of multiple response question	0. No 1. Yes
BUR1_8	\$1	\$C_MC_CD	Recommended first aid	What is the recommended first aid	Part of multiple response question	0. No

		D	treatment for burn or scald : Refused	treatment for a burn or scald?		1. Yes
BUR2	\$1	\$CBUR2F	Knowledge of cooling	When someone has a burn it is recommended that you apply cold running water. Do you know, for how long you should apply cold running water?	Single response	1. Answer in hours AND minutes 2. No R. Refused X. Don't know
BUR2A	8		Knowledge of cooling (hours)	When someone has a burn it is recommended that you apply cold running water. Do you know for how long you should apply cold running water?		
BUR2B	8		Knowledge of cooling (minutes)	When someone has a burn it is recommended that you apply cold running water. Do you know for how long you should apply cold running water?		
BUR3_1	\$1	\$C_MC_CD	Information on burns and scalds : Internet	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_2	\$1	\$C_MC_CD	Information on burns and scalds : First aid book	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_3	\$1	\$C_MC_CD	Information on burns and scalds : Friends and family	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_4	\$1	\$C_MC_CD	Information on burns and scalds : Health authorities	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_5	\$1	\$C_MC_CD	Information on burns and scalds : Doctors surgery	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_6	\$1	\$C_MC_CD	Information on burns and scalds : No information/source	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_7	\$1	\$C_MC_CD	Information on burns	Where do you, or would you, look	Part of multiple response question	0. No

		D	and scalds : Other [specify]	for information on burns and scalds first aid?		1. Yes
BUR3_8	\$1	\$C_MC_C D	Information on burns and scalds : Don't know	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_9	\$1	\$C_MC_C D	Information on burns and scalds : Refused	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3_10	\$1	\$C_MC_C D	Information on burns and scalds : Trained in first aid	Where do you, or would you, look for information on burns and scalds first aid?	Part of multiple response question	0. No 1. Yes
BUR3A	\$1	\$CBUR3 AF	First aid training in past 12 months	Have you had first aid training in the past 12 months?	Single response	1. Yes 2. No R. Refused X. Don't know
BUR4A	\$1	\$CBUR4 AF	Burn in past 12 months	Has child had a burn or scald in the past 12 months?	Single response	1. Yes 2. No R. Refused X. Don't know
BUR4B	\$1	\$CBUR4B F	Treatment required for burn	Was medical treatment required from a health professional?	Single response	1. Yes 2. No R. Refused X. Don't know
BUR4C_1	\$1	\$C_MC_C D	Treatment for burn : GP	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_2	\$1	\$C_MC_C D	Treatment for burn : Pharmacy	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_3	\$1	\$C_MC_C D	Treatment for burn : Emergency Department of local hospital	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_4	\$1	\$C_MC_C D	Treatment for burn : Burns outpatient clinic	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_5	\$1	\$C_MC_C D	Treatment for burn : Other [specify]	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_6	\$1	\$C_MC_C D	Treatment for burn : Don't know	Where did you go to get treatment?	Part of multiple response question	0. No 1. Yes
BUR4C_7	\$1	\$C_MC_C	Treatment for burn :	Where did you go to get treatment?	Part of multiple response question	0. No

		D	Refused			1. Yes
CA8	\$1	\$CCA8F	Written asthma management plan	Does child have a written asthma management plan from your doctor on how to treat their asthma?	Single response	1. Yes 2. No R. Refused X. Don't Know
CAQ1	\$1	\$CCAQ1F	Ever attended organised early childhood program or activity	Has child ever attended any play group or other early childhood programme or activity? Please do not include child care programmes or time spent in preschool.	Single response	1. Yes 2. No R. Refused X. Don't know
CAQ2	\$1	\$CCAQ2F	Currently attends other organised early childhood programs or activities	Does child currently attend any play group or other early childhood programme or activity? Please do not include child care programmes or time spent in preschool.	Single response	1. Yes 2. No R. Refused X. Don't know
CBF1	\$1	\$CCBF1F	Child Ever Breastfed	Has child ever been breastfed?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF10	\$1	\$CCBF10F	Age first given other milk substitutes.	At what age was child first given this/any of these milk substitute(s) regularly? Answer in months and weeks.	Single response	2. Answer in months AND weeks 3. Less than one week R. Refused X. Don't know
CBF10A	8		Age first given other milk substitutes.	At what age was child first given this/any of these milk substitute(s) regularly? Answer in months and weeks.		
CBF10B	8		Age first given other milk substitutes.	At what age was child first given this/any of these milk substitute(s) regularly? Answer in months and weeks.		
CBF12	\$1	\$CCBF12F	Age when First Given Solid Food	At what age was child first given solid food regularly? Answer in months AND weeks.	Single response	2. Answer in months AND weeks

						3. Never given solids/not yet started solids R. Refused X. Don't know
CBF12A	8		Age when First Given Solid Food	At what age was child first given solid food regularly? Answer in months and weeks.		
CBF12B	8		Age when First Given Solid Food	At what age was child first given solid food regularly? Answer in months and weeks.		
CBF13	\$1	\$CCBF13 F	Duration of Breastfeeding	Including times of weaning, what is the total time child was breastfed in months and weeks?	Single response	2. Answer in Months AND Weeks 3. Less than one week R. Refused X. Don't Know
CBF13A	8		Duration of Breastfeeding	Including times of weaning, what is the total time child was breastfed in months and weeks?		
CBF13B	8		Duration of Breastfeeding	Including times of weaning, what is the total time child was breastfed in months and weeks?		
CBF14A	\$560		Main Reasons Decided not to Breastfeed.	What were the main reasons you decided not to breastfeed child?	Open	
CBF14A_1	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Previous bad experience	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_2	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : No milk/Not enough milk/Poor quality milk	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_4	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Health problem with	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes

			mother/medications/fatigue/became pregnant			
CBF14A_5	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Mother did not want to/ Mother didn't like it or wanted to stop/child old enough/child biting or had teeth/wanted to become pregnant	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_6	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Premature baby or health problem with child	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_7	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Multiple birth/ other small children/had another baby	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_8	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Technique difficulties such as attachment /Mastitis/Sore or cracked nipples	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF14A_10	\$1	\$C_MC_CD	Main Reasons Decided not to Breastfeed. : Other	What were the main reasons you decided not to breastfeed child?	Part of multiple response question	0. No 1. Yes
CBF15	\$1	\$CCBF15F	Breast fed since yesterday	Since this time yesterday, has child been breastfed?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF16_1	\$1	\$C_MC_CD	Receive any of the following since yesterday : Vitamins, mineral supplements,	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes

			medicine			
CBF16_2	\$1	\$C_MC_CD	Receive any of the following since yesterday : Plain water	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_3	\$1	\$C_MC_CD	Receive any of the following since yesterday : Sweetened or flavoured water	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_4	\$1	\$C_MC_CD	Receive any of the following since yesterday : Fruit juice	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_5	\$1	\$C_MC_CD	Receive any of the following since yesterday : Tea or infusion	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_6	\$1	\$C_MC_CD	Receive any of the following since yesterday : Infant formula	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_7	\$1	\$C_MC_CD	Receive any of the following since yesterday : Tinned, powdered or fresh milk	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_8	\$1	\$C_MC_CD	Receive any of the following since yesterday : Solid or semi-solid food	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_9	\$1	\$C_MC_CD	Receive any of the following since yesterday : Other [SPECIFY]	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_10	\$1	\$C_MC_CD	Receive any of the following since yesterday : Don't know	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF16_11	\$1	\$C_MC_CD	Receive any of the following since yesterday : Refused	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes

CBF16_1 2	\$1	\$C_MC_C D	Receive any of the following since yesterday : None of these	Since this time yesterday, did child receive any of the following?	Part of multiple response question	0. No 1. Yes
CBF2	\$1	\$CCBF2F	Child Currently Breastfed	Is child currently being breastfed?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF4	\$1	\$CCBF4F	Child Ever Regularly Given Infant or Toddler Formula.	Has child ever been given infant or toddler formula regularly?	Single response [Prompt]	1. Yes 2. No R. Refused X. Don't know
CBF5	\$1	\$CCBF5F	Age First Given Infant or Toddler Formula Regularly.	At what age was child first given infant or toddler formula regularly? Answer in months and weeks.	Single response	2. Answer months AND weeks 3. Less than one week R. Refused X. Don't know
CBF5A	8		Age First Given Infant or Toddler Formula Regularly.	At what age was child first given infant or toddler formula regularly?		
CBF5B	8		Age First Given Infant or Toddler Formula Regularly.	At what age was child first given infant or toddler formula regularly? Answer in months AND weeks.		
CBF6	\$1	\$CCBF6F	Child ever regularly given cows milk.	Has child ever been given cows' milk regularly?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF7	\$1	\$CCBF7F	Age first given cows milk.	At what age was child first given cow's milk regularly? Answer in months and weeks.	Single response	2. Answer in months and weeks 3. Less than one week R. Refused X. Don't know
CBF7A	8		Age first given cows	At what age was child first given		

			milk.	cow's milk regularly? Answer in months and weeks.		
CBF7B	8		Age first given cows milk.	At what age was child first given cow's milk regularly? Answer in months and weeks.		
CBF8	\$1	\$CCBF8F	Child ever given other milk substitutes regularly.	Has child ever been given any other type of milk substitute on a regular basis?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF9_1	\$1	\$C_MC_CD	Types of other milk substitutes. : Soya Bean milk	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBF9_2	\$1	\$C_MC_CD	Types of other milk substitutes. : Goat's milk	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBF9_3	\$1	\$C_MC_CD	Types of other milk substitutes. : Evaporated milk	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBF9_4	\$1	\$C_MC_CD	Types of other milk substitutes. : Other [SPECIFY]	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBF9_5	\$1	\$C_MC_CD	Types of other milk substitutes. : Don't know	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBF9_6	\$1	\$C_MC_CD	Types of other milk substitutes. : Refused	What type of milk substitutes did child have?	Part of multiple response question	0. No 1. Yes
CBISC	8		Frequency of eating sweet and savoury biscuits, cakes, donuts, or muesli bars per week			
CCONF	8		Number of times of confectionary Consumption per day		Derived variable which includes daily, weekly/7, monthly/30 and rarely or never consume confectionary	
CDAIRY	8		Total serves of dairy consumption per Day		Derived variable which includes daily, weekly/7 and does not consume milk, custard, yoghurt	

					and cheese.	
CDM6	\$1	\$CCDM6 F	Proxy respondents relationship to child	What is your relationship to child? For example are you child's father/mother, stepfather/stepmother or other relation?	Single response	1. Mother 2. Father 3. Stepmother 4. Stepfather 5. Grandmother 6. Grandfather 7. Legal guardian/Foster Parent 8. Other R. Refused X. Don't know
CFF1	\$1	\$CCFF1F	CFF1 : Planning family activities is difficult because we misunderstand each oth			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF10	\$1	\$CCFF10 F	CFF10 : We are able to make decisions about how to solve problems (Level of Agree			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF11	\$1	\$CCFF11 F	CFF11 : We don't get on well together (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF12	\$1	\$CCFF12 F	CFF12 : We confide in each other (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree

						4. Strongly disagree R. Refused X. Don't know
CFF2	\$1	\$CCFF2F	CFF2 : In times of crisis we can turn to each other for support (Level of Agreeem			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF3	\$1	\$CCFF3F	CFF3 : We cannot talk to each other about sadness we feel (level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF4	\$1	\$CCFF4F	CFF4 : Individuals (in the family) are accepted for what they are (Level of Agree			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF5	\$1	\$CCFF5F	CFF5 : We avoid discussing our fears and concerns (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF6	\$1	\$CCFF6F	CFF6 : We express feelings to each other (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree

						R. Refused X. Don't know
CFF7	\$1	\$CCFF7F	CFF7 : There are lots of bad feelings in our family (Level of Agreement)			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF8	\$1	\$CCFF8F	CFF8 : We feel accepted for what we are (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF9	\$1	\$CCFF9F	CFF9 : Making decisions is a problem in our family (Level of Agreement).			1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFREQE X_WKD	8		Number of days with physical activity (weekdays)		Derived variable which includes the number of weekdays and no weekdays spent doing physical activity outside of school hours	
CFREQE X_WKN D	8		Number of days with physical activity (weekends)		Derived variable which includes the number of weekend days and no weekend days spent doing physical activity	
CFREQ_ TVV_WK D	8		Number of days watching TV/Video (weekdays)		Derived variable which includes the number of weekdays and no weekdays spent watching TV, videos or DVDs at home?	
CFREQ_ TVV_WK	8		Number of days watching TV/Video		Derived variable which includes the number of weekend days and	

ND			(weekends)		no weekend days spent watching TV, videos or DVDs at home?	
CFREQ_VCG_WKD	8		Number of days playing video or computer games (weekdays)		Derived variable which includes the number of weekdays and no weekdays spent playing video or computer games	
CFREQ_VCG_WKND	8		Number of days playing video or computer games(weekends)		Derived variable which includes the number of weekend days and no weekend days playing video or computer games	
CHC1	\$1	\$CCHC1F	Ever attended regular child care	Have you ever used any child care for child on a regular basis?	Single response	1. Yes 2. No R. Refused X. Don't know
CHC2	\$1	\$CCHC2F	Currently attends childcare	Is child currently having any type of childcare on a regular basis?	Single response	1. Yes 2. No R. Refused X. Don't know
CHC3	\$1	\$CCHC3F	Age of first regular childcare	How old was child when they first started childcare for half a day or longer	Single response	1. Record in years AND months R. Refused X. Don't know
CHC5_1	\$1	\$C_MC_CD	Type of childcare : Long day care centre	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_2	\$1	\$C_MC_CD	Type of childcare : Occasional Care	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_3	\$1	\$C_MC_CD	Type of childcare : Friend	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_4	\$1	\$C_MC_CD	Type of childcare : Grandparent	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_5	\$1	\$C_MC_CD	Type of childcare : Nanny	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_6	\$1	\$C_MC_CD	Type of childcare : Babysitter	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_7	\$1	\$C_MC_CD	Type of childcare : Relative or family	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes

			OTHER THAN GRANDPARENT			
CHC5_8	\$1	\$C_MC_CD	Type of childcare : Family day care (usually organised through local councils)	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_9	\$1	\$C_MC_CD	Type of childcare : Other (Specify)	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_10	\$1	\$C_MC_CD	Type of childcare : Don't know	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHC5_11	\$1	\$C_MC_CD	Type of childcare : Refused	What type of childcare does child have?	Part of multiple response question	0. No 1. Yes
CHRS_SED_WK	8		Average hours spent on sedentary activity per day (week)		Derived variable which equals (chrs_tvv_wkd*cfreq_tvv_wkd + chrs_vcg_wkd*cfreq_vcg_wkd + hrs_tvv_wknd*cfreq_tvv_wknd + chrs_vcg_wknd*cfreq_vcg_wknd)/7	
CHRS_SED_WKD	8		Average hours spent on sedentary activity per day (weekdays)		Derived variable which equals (chrs_tvv_wkd*cfreq_tvv_wkd + chrs_vcg_wkd*cfreq_vcg_wkd)/5	
CHRS_SED_WKND	8		Average hours spent on sedentary activity per day (weekends)		Derived variable which equals (chrs_tvv_wknd*cfreq_tvv_wknd + chrs_vcg_wknd*cfreq_vcg_wknd)/2	
CHRS_TV_VV_WKD	8		Hours spent on watching TV/Video (weekdays)		Derived variable which includes the number of hours spent watching TV, videos or DVDs at home and no time spent doing these activities on a weekday.	
CHRS_TV_VV_WKND	8		Hours spent on watching TV/Video (weekends)		Derived variable which includes the number of hours spent watching TV, videos or DVDs at home and no time spent doing these activities on a weekend day.	
CHRS_V	8		Hours spent on playing		Derived variable which includes	

CG_WK D			video or computer games (weekdays)		the number of hours spent playing video or computer games and no time spent doing these activities on a weekday.	
CHRS_V CG_WK ND	8		Hours spent on playing video or computer games (weekends)		Derived variable which includes the number of hours spent playing video or computer games and no time spent doing these activities on a weekend day.

I_ED2	\$2	\$S_INDF	Emergency department rated as excellent, very		The indicator includes children who presented to an emergency	1. Yes 2. No

			good or good, parents or carers of children 0-15 years who presented to an emergency department in the last 12 months		department in the last 12 months whose parents rated their care as excellent, very good or good for their most recent visit. The question used to define the indicator was: In the last 12 months, have you attended a hospital emergency department or casualty for child's medical care? Overall what do you think of the care child received at this emergency department: excellent, very good, good, fair or poor?	X. Don't Know/Refused
I_FIRED1	\$2	\$\$_INDF	Participation in fire education program, children 5-12 years		The indicator includes those children who have participated in a fire education program. The question used to define the indicator was: Has child participated in the fire education program in schools?	1. Yes 2. No X. Don't Know/Refused
I_FIRED3	\$2	\$\$_INDF	Action taken following fire education program, parents or carers of children 5-12 years who participated in a fire education program		The indicator includes parents or carers who had taken action on information from the children the fire education program in schools. The questions used to define the indicator were: Has child participated in the fire education program in schools? Did child tell you about any of the following: get down low and go go go, home evacuation plan, stop drop and roll, install smoke alarms, knotted rope, none of the above? Did you take action on any of these things?	1. Yes 2. No X. Don't Know/Refused
I_FLUORIDE	\$2	\$\$_INDF	Agree with adding fluoride to water		The indicator includes those who either agree with or would agree	1. Yes 2. No

			supply, parents or carers of children 5-15 years		to having fluoride added to their water supply. The questions used to define the indicator were: Has fluoride been added to your public water supply? If yes then asked: Do you agree with adding fluoride to your public water supply to prevent tooth decay? If no or don't know or refused then asked: Would you be in favour of adding fluoride to your water supply to prevent tooth decay: in children, in adults, both adults and children?	X. Don't Know/Refused
I_FLUORIDE1	\$2	\$S_INDF	Fluoride added to public water supply, parents or carers of children 5-15 years		The question used was: Has fluoride been added to your public water supply?	1. Yes 2. No X. Don't Know/Refused
I_FOLATE1	\$2	\$S_INDF	Took folate supplements 1 month before and during the first 3 months of pregnancy, mothers of infants 0-11 months		The indicator includes mothers of infants aged 0-11 months who took folate supplements 1 month before and during the first 3 months of pregnancy. The questions used to define the indicator were: (Before 2008) Did you take tablets or capsules containing folate or folic acid in the month immediately before and/or in the first 3 months of this pregnancy? (From 2008) Did you take capsules or tablets containing at least 0.5mg of folate daily in the month immediately before you became pregnant? Did you take capsules or tablets containing at least 0.5mg of folate daily in the first three months of this	1. Yes 2. No X. Don't Know/Refused

					pregnancy?	
I_FOOD	\$2	\$S_INDF	Food insecurity in the last 12 months, parents or carers of children 0-15 years		The indicator includes children who had suffered some food insecurity in the last 12 months. The question used to define the indicator was: In the last 12 months, were there any times you ran out of food and couldn't afford to buy more?	1. Yes 2. No X. Don't Know/Refused
I_FRUIT	\$2	\$S_INDF	Recommended daily fruit intake, children 2-15 years		The indicator includes children who meet the minimum recommended daily consumption of fruit. The minimum recommended daily consumption of fruit according to the NHMRC Dietary Guidelines for Children and Adolescents in Australia is 1 serve for children aged 4-11 years and 3 serves for children aged 12-18, depending on their overall diet. The guide does not provide recommendations for children aged 2-3 years and so the recommendations for 4-11 year old children have been applied. One serve is equivalent to 1 medium piece or 2 small pieces of fruit. The question used to define the indicator was: How many serves of fruit does child usually eat each day?	1. Yes 2. No X. Don't Know/Refused
I_GENPR AC1	\$2	\$S_INDF	Visited a general practitioner in the last 2 weeks, children 0-15 years		The indicator includes those children that have seen a general practitioner in the last 2 weeks. The questions used to define the indicator were: In the last 12 months did child see a general	1. Yes 2. No X. Don't Know/Refused

					practitioner? When did child last see a general practitioner?	
I_GENPR AC2	\$2	\$\$_INDF	Visited a general practitioner in the last 12 months, children 0-15 years		The indicator includes those children that have seen a general practitioner in the last 12 months. The question used to define the indicator was: In the last 12 months did child see a general practitioner?	1. Yes 2. No X. Don't Know/Refused
I_GENPR AC3	\$2	\$\$_INDF	General practitioner care rated as excellent, very good or good, parents or carers of children 0-15 years who visited a general practitioner in the last 12 months		The indicator includes those parents or carers who rated child's care as excellent or very good or good for the most recent general practitioner visit. The questions used to define the indicator were: In the last 12 months did child see a general practitioner? Overall, what do you think of the care child received at his-her most recent general practitioner visit?	1. Yes 2. No X. Don't Know/Refused
I_HDIFF1	\$2	\$\$_INDF	Difficulties getting health care when needing it, children 0-15 years		The indicator includes parents or carers who had difficulties getting health care when child needed it. It excludes those who said child did not need health care. The question used to define the indicator was: Do you have any difficulties getting health care when child needs it?	1. Yes 2. No X. Don't Know/Refused
I_HEARI NG4	\$2	\$\$_INDF	Normal hearing, children 0-15 years		The indicator includes those children who have normal hearing without a hearing aid. The questions used to define the indicator were: As far as you know, does child currently have normal hearing in both ears?	1. Yes 2. No X. Don't Know/Refused
I_HMES	\$2	\$\$_INDF	Emergency escape plan		The questions used to define the	1. Yes

CAPE			practised in the last 12 months, parents or carers of children 0-15 years		indicator were: Does your household have a written home escape plan? When did your household last practise your home escape plan?	2. No X. Don't Know/Refused
I_HOSP1	\$2	\$\$_INDF	Hospital admissions in last 12 months, children 0-15 years		The indicator includes children admitted to hospital in the last 12 months. The question used to define the indicator was: In the last 12 months has child stayed for at least 1 night in hospital?	1. Yes 2. No X. Don't Know/Refused
I_HOSP2	\$2	\$\$_INDF	Hospital care rated as excellent, very good or good, parents or carers of children 0-15 years who were admitted to hospital in the last 12 months		The indicator includes children admitted to hospital in the last 12 months whose parents rated their care as excellent, very good or good for their most recent overnight stay. The questions used to define the indicator were: In the last 12 months has child stayed for at least 1 night in hospital? Overall, what do you think of the care child received at this hospital: excellent, very good, good, fair or poor?	1. Yes 2. No X. Don't Know/Refused
I_HSTAT	\$2	\$\$_INDF	Excellent, very good, or good health status, children 5-15 years		The indicator includes children reported to have excellent, very good or good health status. The question used to define the indicator was: Overall, how would you rate child's health during the last 4 weeks: excellent, very good, good, fair, poor, or very poor?	1. Yes 2. No X. Don't Know/Refused
I_HSTAT 3	\$2	\$\$_INDF	Difficulties doing daily activities, children 5-15 years		The indicator includes children who have some difficulty or much difficulty and could not do their daily activities. The question used	1. Yes 2. No X. Don't Know/Refused

					to define the indicator was: During the last 4 weeks how much difficulty did child have doing his or her daily activities: no difficulty at all, a little bit of difficulty, some difficulty, much difficulty, could not do activities?	
I_HSTAT 5	\$2	\$\$_INDF	Moderate or severe bodily pain, children 5-15 years		The indicator includes children who had experienced moderate or severe pain in the last 4 weeks. The question used to define the indicator was: During the last 4 weeks how much bodily pain has child had: no pain, very mild pain, mild pain, moderate pain, or severe pain?	1. Yes 2. No X. Don't Know/Refused
I_HVISIT 2	\$2	\$\$_INDF	Home visit from child or community nurse in the last 12 months, infants 0-11 months		The indicator includes those who received a home visit in the last 12 months from a community nurse or midwife (before 2007) or a child or community nurse (since 2007). The questions used to define the indicator were: (Before 2007) In the last 12 months, have you had any health professionals visit child in your home? In the last 12 months, which health professionals visited child in your home? (From 2007) In the last 12 months, has a child or community nurse visited child in your home?	1. Yes 2. No X. Don't Know/Refused
I_JUICE	\$2	\$\$_INDF	One or more cups of fruit juice a day, children 2-15 years		The indicator includes children who have a cup of fruit juice or more a day. The question used to define the indicator was: How many cups of fruit juice does child usually drink each day? 1	1. Yes 2. No X. Don't Know/Refused

					cup = 250ml, a household tea cup or large popper.	
I_MILK	\$2	\$S_INDF	Two or more cups of milk a day, children 2-15 years		The indicator includes children who have 2 cups of milk or more per day. The question used to define the indicator was: How many cups of milk does child usually drink each day? 1 cup = 250ml, a household tea cup.	1. Yes 2. No X. Don't Know/Refused
I_MILK1	\$2	\$S_INDF	Usually consumes lower fat or skim milk, children 2-15 years		The indicator includes those children who usually consume low fat, reduced fat, or skim milk. The question used to define the indicator was: What type of milk does child usually have?	1. Yes 2. No X. Don't Know/Refused
I_ORAL7	\$2	\$S_INDF	Visited a dental professional in the last 12 months, children 5-15 years		The indicator includes children who had visited a dental professional in the last 12 months. The question used to define the indicator was: When did child last visit a dental professional about his or her teeth, dentures, or gums? A dental professional includes dentist, dental specialist, dental hygienist, dental technician, dental mechanic, denturist, orthodontist or dental therapist.	1. Yes 2. No X. Don't Know/Refused
I_PARSU P1	\$2	\$S_INDF	Need for support services, parents or carers of children 1-15 years		The indicator includes parents or carers who needed support services to assist in caring for their child. The question used to define the indicator was: Have you ever felt the need for any type of support services to assist in caring for child or dealing with problems you may have	1. Yes 2. No X. Don't Know/Refused

					experienced with child? Support services include Karitane, Tresillian, early childhood health services, family support services, and counsellors.	
I_PARSU P2	\$2	\$S_INDF	Used support services, parents or carers who needed support services of children 1-15 years		The indicator includes parents or carers of children who used support services to assist in caring for their child. The question used to define the indicator was: Have you ever used any support services? Support services include Karitane, Tresillian, early childhood health services, family support services, and counsellors.	1. Yes 2. No X. Don't Know/Refused
I_PHREC 1	\$2	\$S_INDF	Ever used personal health record, parents or carers of children 0-15 years		The indicator includes parents or carers of children who have ever used used the personal health record for child. The questions used to define the indicator were: A personal health record is given to all babies. It contains a record of growth, health check-ups and immunisation. Do you have a personal health record for child? Have you ever used the personal health record for child?	1. Yes 2. No X. Don't Know/Refused
I_PHREC 2	\$2	\$S_INDF	Currently use personal health record, parents or carers of children 0-15 years		The indicator includes parents or carers of children who currently use the personal health record for child. The questions used to define the indicator weres: Do you have a personal health record for child? Have you ever used the personal health record for child? Do you currently use the personal health record for child?	1. Yes 2. No X. Don't Know/Refused

I_PHYSA CTC	\$2	\$S_INDF	Adequate physical activity, children 5-15 years		This indicator includes children who do 1 hour or more of physical activity outside of school hours everyday, The questions used to define the indicator were: On about how many days during the school week does child usually do physical activity outside of school hours? On those days, about how many hours does child usually do physical activity? On about how many weekend days does child usually do physical activity? On a typical weekend day, about how many hours does child usually do physical activity?	1. Yes 2. No X. Don't Know/Refused
I_PUBDE NT1	\$2	\$S_INDF	Public dental service attendance in the last 12 months, children 0-15 years		The indicator includes children who attended a public dental service or dental hospital in the last 12 months. The question used to define the indicator was: In the last 12 months, has child attended a public or government-run dental service or dental hospital?	1. Yes 2. No X. Don't Know/Refused
I_PUBDE NT2	\$2	\$S_INDF	Public dental service care rated as excellent, very good or good, parents or carers of children 0-15 years who attended a public dental service in the last 12 months		The indicator includes children who attended a public dental service or dental hospital in the last 12 months whose care was rated as as excellent, very good or good for their most recent attendance. The questions used to define the indicator were: In the last 12 months, has child attended a public or government-run dental service or dental hospital? Overall what do you think of the care	1. Yes 2. No X. Don't Know/Refused

					child received at the public dental service: excellent, very good, good, fair or poor?	
I_PUBW ATER	\$2	\$S_INDF	Use public water as usual source of water, children 2-15 years		The indicator includes those who use public water as their usual source of drinking water. The question used to define the indicator was: What is your normal source of drinking water?	1. Yes 2. No X. Don't Know/Refused
I_READ1	\$2	\$S_INDF	Read to child daily, parents or carers of children 0-5 years		The indicator includes those parents or carers who read or looks at books with child daily. The questions used to define the indicator were: Do you or other members of your family read or look at books with child? In a typical week how often do you or other members of your family read or look at books with child?	1. Yes 2. No X. Don't Know/Refused
I_SCHOO L1	\$2	\$S_INDF	Attendance at preschool or childcare with a preschool program, children 3-4 years		The indicator includes those children who are currently attending preschool or childcare that has a preschool program? The questions used to define the indicator were: (Before 2007) Does child go to pre-school? (From 2007) Does child go to preschool or attend a childcare that has a preschool program?	1. Yes 2. No X. Don't Know/Refused
I_SEDEN TARY	\$2	\$S_INDF	Use of electronic media for entertainment at home, children 5-15 years		This indicator includes children who spent an average of 2 hours or more each day using electronic media for entertainment at home. The questions used to define the indicator were: On about how many days [during the school week/on a typical weekend day]	1. Yes 2. No X. Don't Know/Refused

					<p>does child usually watch TV, videos or DVDs at home? On those days, about how many hours does child usually spend watching TV, videos or DVDs? On about how many [days during the school week/weekend days] does child usually play video or computer games? On those days, about how many hours does child usually spend playing video or computer games? On about how many weekend days does child usually play video or computer games or work on the computer? On a typical weekend day, about how many hours does child usually spend playing video or computer games or work on the computer?</p>	
I_SLEEP	\$2	\$\$_INDF	Placed on their back to sleep from birth, infants 0-11 months		<p>The indicator includes infants who were placed on their back to sleep from birth. The question used to define the indicator was: What position did you put child to sleep from birth on his or her back, on his or her side, on his or her tummy, any other position?</p>	<p>1. Yes 2. No X. Don't Know/Refused</p>
I_SMAL ARM1	\$2	\$\$_INDF	Has a smoke alarm or detector in the home, parents or carers of children 0-15 years		<p>The indicator includes children who have a smoke alarm or detector in their home. The question used to define the indicator was: Do you have smoke alarms installed in your home? If yes ask battery operated, hard wired or both?</p>	<p>1. Yes 2. No X. Don't Know/Refused</p>
I_SMOK	\$2	\$\$_INDF	Smoke-free households,		<p>The indicator includes parents or</p>	<p>1. Yes</p>

E4			parents or carers of children 0-15 years		carers who said their home was smoke-free. The question used to define the indicator was: Which of the following best describes your home situation: my home is smoke free, people occasionally smoke in the house, people frequently smoke in the house?	2. No X. Don't Know/Refused
I_SMOK E4C	\$2	\$S_INDF	Bans smoking in car, parents or carers of children 0-15 years with a car		The indicator includes those parents or carers who said their car was smoke-free. The question used to define the indicator was: Are people allowed to smoke in your car?	1. Yes 2. No X. Don't Know/Refused
I_STRNG TH1	\$2	\$S_INDF	Substantial risk of developing a clinically significant behavioural problem, children 4-15 years		The indicator includes children considered to be at substantial risk of developing a clinically significant behavioural problem using the adapted Goodman Strengths and Difficulties Questionnaire. A total difficulties score between 0 and 40 is calculated. A child with a total difficulties score of 17 or above is considered to be at substantial risk of developing a clinically significant behavioural problem.	1. Yes 2. No X. Don't Know/Refused
I_SUN10	\$2	\$S_INDF	Easy to find shade at public park, parents or carers of children 0-15 years		The indicator includes parents or carers who said it is easy to find shade at their local public park. The question used to define the indicator was: In your local area, when you are outside do you find it easy to find shade at the public park?	1. Yes 2. No X. Don't Know/Refused
I_SUN8	\$2	\$S_INDF	Easy to find shade in sporting areas, parents		The indicator includes parents or carers who said it is easy to find	1. Yes 2. No

			or carers of children 0-15 years		shade in their local sporting areas. The question used to define the indicator was: In your local area, when you are outside do you find it easy to find shade in sporting areas?	X. Don't Know/Refused
I_SUN9	\$2	\$S_INDF	Easy to find shade at public pool, parents or carers of children 0-15 years		The indicator includes parents or carers who said it is easy to find shade at their local outdoor public pool. The question used to define the indicator was: In your local area, when you are outside do you find it easy to find shade at the outdoor public swimming pool?	1. Yes 2. No X. Don't Know/Refused
I_VEG	\$2	\$S_INDF	Recommended daily vegetable intake, children 2-15 years		The indicator includes children who consumed the minimum recommended daily intake of vegetables. The minimum recommended daily vegetable intake according to the NHMRC Dietary Guidelines for Children and Adolescents in Australia is defined as 2 serves a day for children aged 4-7 years and 3 serves a day for children aged 8 years and over, depending on their overall diet. The guide does not provide recommendations for children aged 2-3 years and so the recommendations for 4-7 year old children have been applied. One serve is equivalent to 1/2 cup of cooked vegetables or 1 cup of salad vegetables. The question used to define the indicator was: How many serves of vegetables does child usually eat each day?	1. Yes 2. No X. Don't Know/Refused

I_VISION 1	\$2	\$S_INDF	Eyesight checked in last 2 years, children 0-15 years		The indicator includes those children who have had their eyesight checked within the last 2 years. The question used to define the indicator was: When did you last have child's eyesight checked?	1. Yes 2. No X. Don't Know/Refused
I_VISION 4	\$2	\$S_INDF	Normal vision in both eyes, children 0-15 years		The indicator includes those children who have normal vision in both eyes. The question used to define the indicator was: As far as you know, does child have normal vision in both eyes?	1. Yes 2. No X. Don't Know/Refused
JUICE	8		Cups of juice drunk per day		Derived variable which includes daily, weekly/7 and does not drink fruit juice

SDQTOT	8		Total SDQ score (ess+cps+hs+pps)		Derived variable using the adapted Goodman Strengths and Difficulties Questionnaire (a 25 item questionnaire comprises 5 scales of 5 items). Each subscale scores between 0 and 10. The at risk score for each subscale is 5-10 for emotional symptoms, 4-10 for conduct problems, 7-10 for hyperactivity or inattention, 4-10 for peer relationship problems, and 0-4 for prosocial behaviour. A total difficulties score between 0 and 40 is calculated from 4 of the 5 scales (emotional symptoms, conduct problems, hyperactivity or inattention and	

					peer relationship problems)	
SDQ_CP S	\$1	\$	Conduct Problem		Derived variable which is the score from the Goodman Strengths and Difficulties Questionnaire for items relating to conduct problems (4-10).	
SDQ_ESS	\$1	\$	Emotional Symptoms		Derived variable which is the score from the Goodman Strengths and Difficulties Questionnaire for items relating to emotional symptoms (5-10)	
SDQ_HS	\$1	\$	Hyperactivity		Derived variable which is the score from the Goodman Strengths and Difficulties Questionnaire for items relating to hyperactivity (7-10)	
SDQ_PPS	\$1	\$	Peer Problems		Derived variable which is the score from the Goodman Strengths and Difficulties Questionnaire for items relating to peer problems (4-10)	
SDQ_PS	\$1	\$	Prosocial		Derived variable which is the score from the Goodman Strengths and Difficulties Questionnaire for items relating to prosocial behaviour (0-4)
