

Application form for an exemption

It is an offence under section 7 of the [Smoke-free Environment Act 2000](#) (the Act) to smoke in a smoke-free area. Smoking includes use of an e-cigarette and people cannot use e-cigarettes in smoke-free areas. Under section 8 of the Act, occupiers are not to allow smoking, including using an e-cigarette, in any enclosed public place or commercial outdoor dining area on their premises.

Under section 19A of the Act, the NSW Health Secretary (or delegate) may, by order in writing, exempt the premises of an existing e-cigarette retailer from sections 7 and 8 of the Act, if that retailer has notified the NSW Health Secretary (or delegate) under section 39 of the [Public Health \(Tobacco\) Act 2008](#) of their intention to engage in e-cigarette retailing.

This is an application form for this exemption. Assessment of the application will include an inspection of the premises.

Please note that retailers that sell tobacco products as defined in section 4 of the *Public Health (Tobacco) Act 2008* are not eligible for the exemption.

Please read the information on the NSW Health webpage about the exemption before applying: www.health.nsw.gov.au/tobacco/Pages/electronic-cigarettes.aspx
