Better Healthcare.**

ACI NSW Agency
for Clinical
Innovation

**Collaboration.
Innovation.
Better Healthcare.**

Why do we want to?

- What is it that we want... partnering with for what?
- Performance/ Quality
- Good Patient Care/ Patient outcomes

What do we need to do?

- Implement a change to comply with standards
- Implement change to meet demand
- Respond to variation data
- Deliver improved access to care

ACI NSW Agency
for Clinical
Innovation

How?

- Deliver to a target
- Lead a project
- Map a patient journey
- Build a pathway

**Collaboration.
Innovation.

Innovation

- **What**
- **How**

**Collaboration.
Innovation.
Better Healthcare.**

ACI NSW Agency
for Clinical
Innovation

It is time to start the start the conversation differently

**Collaboration.
Innovation.
Better Healthcare.**

Why

- **We want to deliver best practice health care to the community**
- **We need an agreed common goal**

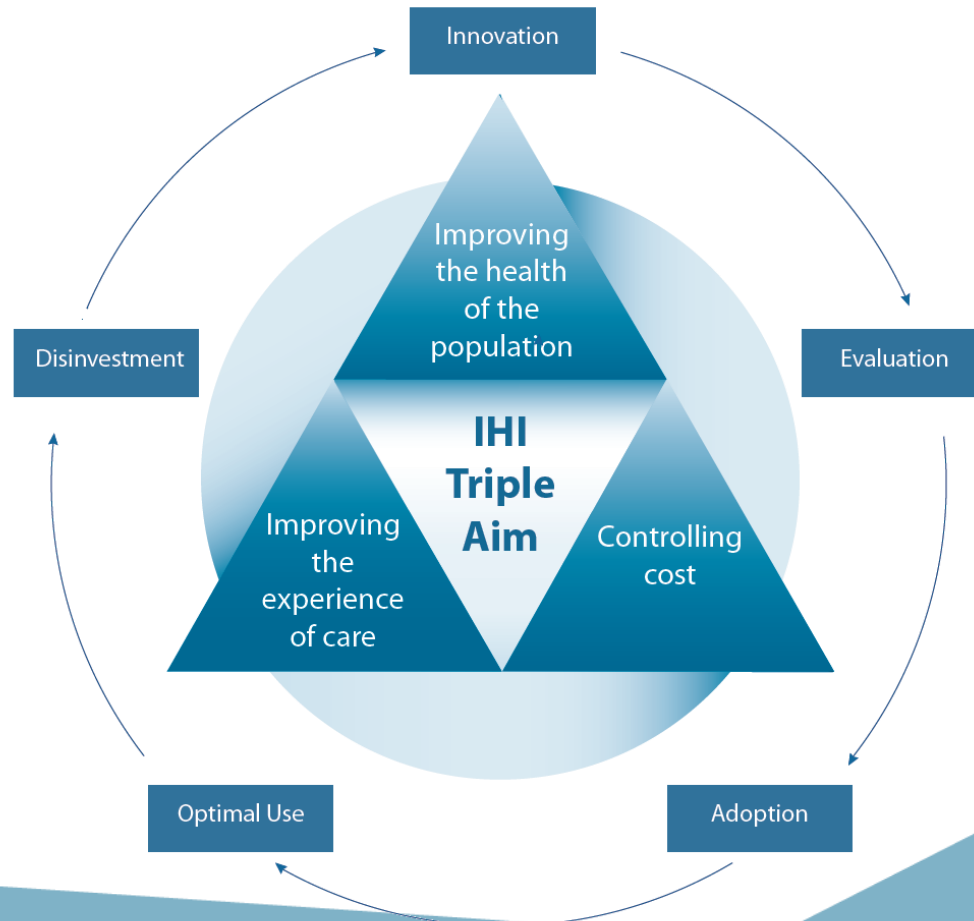

How

- By designing the Process of practice / Models of Care that will deliver evidence based best practice for best outcomes
- **We need an agreed common action**

ACI NSW Agency

ACI NSW Agency
for Clinical
Innovation

What,

- Models of Care
- Guidelines
- Programs
- Projects

**Collaboration.
Innovation.
Better Healthcare.**

ACI NSW Agency
for Clinical
Innovation

We have a new conversation

- **WHY**
- **HOW**
- **WHAT**

**Collaboration.
Innovation.
Better Healthcare.**

ACI NSW Agency
for Clinical
Innovation

Governance

- Define the project management approach.
- Who is responsible

**Collaboration.
Innovation.
Better Healthcare.**
