

ROSTERING SUPPORT IS AVAILABLE NOW!

Develop the capability to continuously improve your roster.

Some of the many benefits

- ✓ Meet patient, staff and service needs
- ✓ Champion and embed roster improvements within your organisation
- ✓ Raise awareness of rostering and its role in wider service management activities.

WHAT'S AVAILABLE?

Rostering Portal

Includes a range of resources to support you to develop rostering capability to continuously improve rostering outcomes.

Capability Matrix

Links you to relevant resources to support you as and when you need it.

Facilitated Workshops

Support in facilitating interactive workshops or webinars locally.

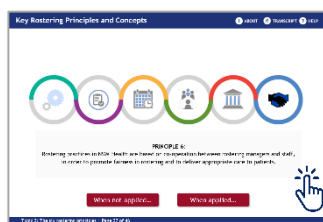

Implementation Guides

Quickly link you to specific resources you need to access at every step.

Online Learning Modules

Provide a deep dive on specific rostering functions and immediate feedback on your progress.

Mentoring and Coaching Support

Provide guidance to establish and implement continuous rostering improvement for staff developing their capability.

Tip Sheets

Provide a quick introduction or a refresher for specific rostering steps.

Videos

Explain the benefits of effective rostering and how to interact with available resources.

Please ask your LHD Workforce Unit to contact the Ministry of Health, Workforce Planning and Talent Development Branch and discuss how we can support you! MOH-Rosteringportal@health.nsw.gov.au
