INTRODUCTION

Welcome from the Pharmacy Programs Administrator (PPA). We administer, process and pay claims associated with the Community Pharmacy Programs funded under the Seventh Community Pharmacy Agreement (7CPA) as well as the **Take Home Naloxone (THN) Program**.

This Portal User Guide provides a step-by-step process for Authorised Alternative Suppliers (AAS) to register for and submit data for the THN Program.

This user guide describes the following processes:

- Setting up your user account for the PPA Portal
- Registering for a Role
- Linking your Role to an existing Service Provider
- Linking your Role to a new Service Provider
- Registering for the THN Program
- Submitting Individual Supply Claim Data.

Please note some States/Territories do not yet have confirmed AAS models. Once this changes for your State/Territory, Service Providers will be informed.

PORTAL ESSENTIALS

For best performance, we recommend using the most recent version of the **Google Chrome** browser. Whilst you can successfully submit your registration and data using other browsers, they may not have all the features required to provide you with the best user experience.

The PPA Portal was developed to specifications from the Department of Health and Aged Care to support our role in administering the Community Pharmacy Programs funded under the 7CPA. We believe it is important for you to understand this, as the registration process was designed to meet these strict specifications to ensure account security for users claiming for these programs. The PPA Portal has since been adapted to allow for AAS sites to take part in the THN Program and submit data via the PPA Portal.

If you require further assistance with using the PPA Portal, please do not hesitate to contact the PPA Support Centre on 1800 951 285 or via support@ppaonline.com.au.

REGISTER FOR A ROLE

1) Navigate to the Portal via the website <https://app.ppaonline.com.au>. The login page will display. Enter your account details and click on the **Log In** button

The screenshot shows the 'Pharmacy Programs Administrator Registration and Claiming Portal' login page. It features an 'Email' input field, a 'Password' input field, and a 'Remember me?' checkbox. Below these is a text box containing the following text: 'By logging in to the PPA Portal you agree to be bound by the Pharmacy Programs Administrator General Terms and Conditions, which changed on 1 July 2020 due to the commencement of the 7CPA. Please ensure you have read the updated General Terms and Conditions and agree to these before you log in to the Portal.' At the bottom, there are 'Log in' and 'Cancel' buttons. Below the buttons are links for 'Forgot your password?' and 'Register as a new user'.

- 2) A welcome page will display, which will outline the steps for registering and claiming in the PPA Portal that are in this guide. These steps are general, and this guide is more specifically targeted at AAS users of the Portal.

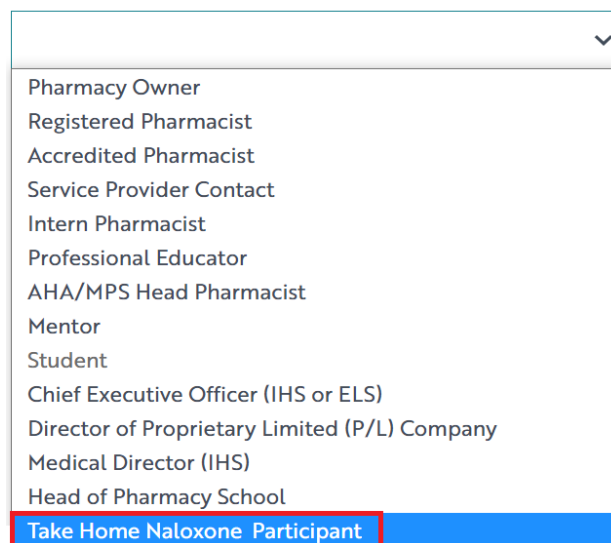

Scroll to the bottom of the page and click on the **To begin please register for a Role** link to register

More information about registering on the Portal can be found [here](#).

To begin please register for a [Role](#).

- 3) The role/s that you hold influence the Programs and Service Providers for which you can register. As the PPA Portal also manages claiming for 7CPA programs, there are many role options available, but to register for the THN Program you must select **Take Home Naloxone Participant** as your role

Select a role type to register for

A dropdown menu with a downward arrow icon in the top right corner. The menu lists the following role options: Pharmacy Owner, Registered Pharmacist, Accredited Pharmacist, Service Provider Contact, Intern Pharmacist, Professional Educator, AHA/MPS Head Pharmacist, Mentor, Student, Chief Executive Officer (IHS or ELS), Director of Proprietary Limited (P/L) Company, Medical Director (IHS), and Head of Pharmacy School. The option 'Take Home Naloxone Participant' is highlighted with a blue background and a red border.

- 4) You will then be able to submit your role registration, by clicking the **Submit** button

Select a role type to register for

A dropdown menu showing the selected role 'Take Home Naloxone Participant' with a downward arrow icon.

This role is reserved for users who are participating in the Take Home Naloxone (THN) program.

A rectangular button with a red border, containing a document icon and the text 'Submit'.

- 5) You are now ready to link your role to a Service Provider (i.e. your AAS site).

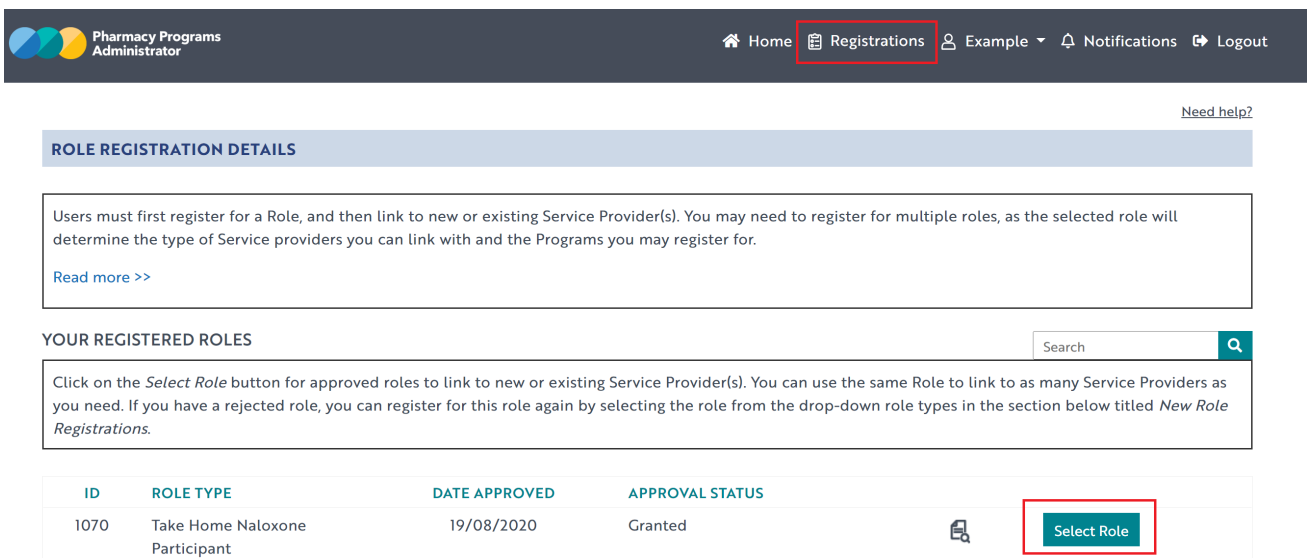

LINK YOUR ROLE TO AN EXISTING SERVICE PROVIDER

Once you have successfully submitted your Take Home Naloxone Participant role registration, you are now ready to link your role to a Service Provider.

If the Service Provider (Authorised Alternative Supplier) already has an account in the Portal, you can follow these steps.

If you are intending to link your role to a Service Provider that does not have an account in the Portal yet, please see the next section titled [Link your role to a new Service Provider](#)

- 1) Select the **Registrations** button at the top of your screen
- 2) Then click on the **Select Role** button to the right of your Take Home Naloxone Participant role

LINK YOUR ROLE TO A NEW SERVICE PROVIDER

A new AAS must be registered as a Service Provider in the PPA Portal before it can be linked to your Role. This must be completed by the Service Provider's **Main Authorised Person** (MAP).

The **Main Authorised Person** is the only person who can:

- Approve other individuals to act on behalf of the Service Provider in terms of registering for programs or submitting claims
- Update information relating to the Service Provider including address details (physical and postal), and contact details.

- 1) Once you have registered your Take Home Naloxone Participant role you will be shown the following screen. You will need to register a new Service Provider by clicking on the **Can't find your Service Provider? Register a new one** link

Can't find your Service Provider? [Register a new one.](#)

- 2) The following screen will display. The individual registering for the new Service Provider will automatically be delegated as the **Main Authorised Person** (MAP) for that Service Provider. The MAP is the only person for that Service Provider who will be able to approve other users to act on behalf of the Service Provider (e.g. submit a service claim). The MAP is also the only person who is able to update information relating to this Service Provider

Can't find your Service Provider? [Register a new one.](#)

As the individual registering a new Service Provider (e.g. pharmacy or business), you agree that you are authorised to bind this Service Provider on behalf of all owners. You will become the Main Authorised Person for the Service Provider. The Main Authorised Person is the only person who can:

- a. Approve other individuals to act on behalf of the Service Provider in terms of registering for programs or submitting claims.
- b. Update information relating to the Service Provider including Bank Account details, Address details (physical and postal), and Contact details.

Please note:

- It may take a few days for your registration to be reviewed and approved. You will receive an email notification when it has been approved.
- If you need to be the MAP for a significant number of AAS sites, please complete one Service Provider registration, then email the PPA Support Centre with a list of the other Service Providers you need to register. We will assist you with this process. You should continue the registration process for the first Service Provider (i.e. complete the other steps in this Guide).

REGISTERING FOR THE THN PROGRAM

Once your Service Provider registration is approved by a PPA Support Centre Operator, you will be able to register that Service Provider for the THN Program.

- 1) Once logged in to the PPA Portal, open the **Home** page to display a list of your approved Service Provider(s)
- 2) To Register for the THN Program, click the **Register for New Program** link underneath the name of the Service Provider you are trying to register for the THN Program. *Please note* only the Main Authorised Person (MAP) for the Service Provider can register for new Programs

SUBMITTING INDIVIDUAL SUPPLY CLAIM DATA

This section details how to submit **Individual Supply Claim** Data through the PPA Portal. The **Individual Supply Claim** asks you to provide information about each instance naloxone was supplied to an individual.

Please note: Although the term "claim" is used throughout this section, AAS are not eligible to receive payment for the supply of Naloxone products. As the PPA Portal was specifically designed for use by other types of organisations (such as pharmacies) as a claiming platform in relation to a range of other programs, this terminology has been retained.

In order to submit a THN Individual Supply Claim you must first submit a Program Registration as per the steps in the above section.

- 1) Once logged into the PPA Portal, click on the **Home** icon to access a list of approved Program registrations against one or more AAS Service Providers
- 2) Click on the **View** button to submit Individual Supply claim data against the THN Program under the relevant Service Provider
