Current definitions of fully immunised

1 year  
Fully immunised at 1 year means that a child aged 12 months to less than 15 months received their third vaccination for diphtheria, tetanus, whooping cough, polio and hepatitis B, either their second or third pneumococcal vaccination and either their second or third vaccination for Haemophilus influenzae type b (dependent on the type of vaccine used), all prior to the age of 1 year. It is assumed that all previous vaccinations were received.

2 years  
Fully immunised at 2 years means that a child aged 24 to less than 27 months received their fourth vaccination for diphtheria, tetanus, whooping cough, their third or fourth dose of Haemophilus influenzae type b (depending on the vaccine used), their third vaccination for polio, hepatitis B and pneumococcal disease, their second vaccination for measles, mumps and rubella, and their first vaccination for meningococcal C and varicella, all prior to the age of 2 years. It is assumed that all previous vaccinations were received.

1 year  
Fully immunised at 1 year means that a child aged 12 months to less than 15 months received their third vaccination for diphtheria, tetanus, whooping cough, polio and hepatitis B, either their second or third pneumococcal vaccination and either their second or third vaccination for Haemophilus influenzae type b (dependent on the type of vaccine used), all prior to the age of 1 year. It is assumed that all previous vaccinations were received.

2 years  
Fully immunised at 2 years means that a child aged 24 to less than 27 months received their fourth vaccination for diphtheria, tetanus, whooping cough, their third or fourth dose of Haemophilus influenzae type b (depending on the vaccine used), their third vaccination for polio, hepatitis B and pneumococcal disease, their second vaccination for measles, mumps and rubella, and their first vaccination for meningococcal C and varicella, all prior to the age of 2 years. It is assumed that all previous vaccinations were received.

5 years of age
