@bmdhproject

Partnerships

- Health Infrastructure
- Western Sydney Local Health District

Shared vision

- Expansion, not redevelopment
- Reimagining how hospitals are built and operate
- Innovation through infrastructure
- Sowing the seeds of cultural change
- Genuine co-design and engagement

@bmdhproject

Shared approach

- Strong leadership
- Robust governance
- Courage
- Benefits

@bmdhproject

New physical environment +
New models of care +
New systems & technologies

= Real benefits

Communication

- Meaningful
- Open
- People centered
- Contemporary
- Narrative
- Celebrating milestones
- Timely & frequent
- Fun

@bmdhproject

**Innovation
through
infrastructure**

**“A hospital
doesn’t have
to be white.”**

Consumer
representative 2012

@bmdhproject

Carer zones

“Thank God for whoever created this idea for I actually slept on a bed last night and I had a great, great sleep.”

Ruta, a carer for her elderly mum.

Chemo lounge

@bmdhproject

Digital check-in kiosks

@bmdhproject

Arts projects

- 500 community members, staff and patients
- 8 specially trained multilingual community champions
- 20 prominent local and international artists
- 16 major local, institutional and government partners

@bmdhproject

Cultural change

@bmdhproject

“This is not just a project. This is people’s hearts and souls.”

Mike Baird
Premier of NSW
