ZIPPED**

Our health
services for young
people are confidential

NSW Health respects your privacy and the services you access are confidential. We will not share your information unless it is necessary.

For your safety and wellbeing, and the wellbeing of others, sometimes we may need to share information about you and your health outside the health service, but we will always try to discuss this with you first.

For more information about confidentiality:

- Speak to a health worker
- Scan the QR code for
 - Confidentiality information for young people
 - *We keep it zipped* factsheet
 - NSW Health Privacy Leaflet for patients
