1. Definitions and interpretation.....	5
2. Executive Summary .....	7
2.1. Overview .....	7
2.2. Principles informing this policy .....	8
2.3. Quick reference guide to the structure of the Consent Manual.....	8
3. Scope.....	9
3.1. Who is bound by the Consent Manual?.....	9
3.2. Roles and responsibilities of Health Services.....	9
3.3. What does the Consent Manual cover? .....	9
3.4. What is not covered?.....	9
3.5. What other NSW Health resources should be considered? .....	10
3.6. NSW Health State Forms relating to consent.....	10
4. Requirements for consent .....	11
4.1. Why is it necessary to obtain patient consent and warn patients about material risks? .....	11
4.2. When can treatment be provided without consent? .....	11
4.2.1. Emergency treatment.....	11
4.2.2. Treatment lawfully authorised or required.....	12
4.3. What are the requirements for obtaining a valid consent?.....	12
4.3.1. Capacity .....	12
4.3.2. Freely given .....	13
4.3.3. Sufficiently specific .....	13
4.3.4. Informed .....	14
4.4. Does the consent need to be in writing?.....	14
4.5. Significant procedures or treatments requiring written consent .....	15
4.6. Minor procedures or treatments.....	15
4.7. Patient consent forms and Health Records .....	16
4.8. How do I properly inform a patient about a procedure and warn of material risks? .....	16
4.8.1. Treatment or procedures that are outside accepted practice/contrary to clinical guidelines.....	17
4.8.2. Treatment or procedures that involve new technologies or techniques, or technologies or techniques new to the Health Practitioner(s).....	17
4.8.3. Guidelines for informing patients about the risks associated with medical treatment .....	18
4.8.4. Patient information forms, brochures or other prepared material about a treatment to inform a patient when obtaining consent.....	19
4.8.5. Aboriginal Patients .....	19
4.8.6. Patients from culturally and linguistically diverse (CALD) backgrounds .....	20
4.8.7. Other communication difficulties (sensory and communication disability).....	21

4.9. Can information be withheld from the patient?.....	22
4.10. Does written consent need to be obtained for every procedure or step in a treatment program? .....	22
4.11. Can consent be captured electronically, and can a consent form be faxed or emailed? .....	23
4.11.1. Capturing consent electronically .....	23
4.11.2. Faxed, emailed, photocopied consent forms and the use of electronic signatures.....	24
4.12. How long does consent remain valid? .....	24
<b>5. Who should obtain consent? .....</b>	<b>25</b>
5.1. Who is legally responsible for obtaining a valid consent? .....	25
5.2. Other Health Practitioners obtaining consent .....	25
5.3. Can the task of obtaining a valid consent be delegated to a Junior Medical Officer? .....	26
5.4. Admission from a Medical Practitioner’s private rooms.....	27
5.5. Admission through the hospital emergency or outpatient department.....	27
<b>6. Refusal of treatment .....</b>	<b>28</b>
6.1. Can a patient refuse treatment? .....	28
6.2. Refusal of treatment using an Advance Care Directive .....	29
6.2.1. What is an Advance Care Directive? .....	29
6.2.2. How do I know that the Advance Care Directive is valid? .....	30
6.2.3. Do Advance Care Directives have to be followed in an emergency? .....	30
6.2.4. What if there is doubt about the validity of an Advance Care Directive?.....	30
6.2.5. What if the Advance Care Directive has been made by a patient experiencing mental ill-health? .....	31
6.3. Discharge against medical advice.....	32
6.4. When can a Medical Practitioner or other Health Practitioner refuse to treat a patient?.....	34
6.4.1. Treatment of no therapeutic value .....	34
6.4.2. Conscientious objection.....	35
6.4.3. Therapeutic relationship in disrepair.....	35
<b>7. Patients (16 years or over) who do not have capacity to consent.....</b>	<b>36</b>
7.1. When does the <i>Guardianship Act</i> apply?.....	36
7.2. The Person Responsible .....	36
7.3. What is a guardian or Enduring Guardian? .....	37
7.4. What happens if a guardian or Enduring Guardian was appointed outside NSW?.....	37
7.5. Requesting consent from the Person Responsible.....	37
7.6. When is a consent application to the Guardianship Division of the Civil and Administrative Tribunal required? .....	38
7.7. Types of treatment under the <i>Guardianship Act</i> and consent requirements.....	39
7.8. Who provides substitute consent to Special Treatment?.....	40
7.9. What if the patient objects to the treatment? .....	40
7.10. What if the treatment is required in an emergency?.....	41
7.11. Treatment administered in the course of a clinical trial.....	41

<b>8. Minors</b> .....	<b>42</b>
8.1. Can I treat a Minor without consent in an emergency?.....	42
8.2. Can I treat a Minor in an emergency if they or their parents previously objected and refused the treatment?.....	42
8.3. What is a Mature Minor and when can they consent to non-emergency treatment? .....	42
8.4. Can a Minor refuse treatment?.....	43
8.5. Non-emergency treatment in case of refusal of consent or conflict between the parent and the Minor.....	44
8.6. When can a Minor consent to sexual health treatment? .....	45
8.7. Who is able to consent on behalf of a Minor if their parents have separated? .....	46
8.8. Can a parent or guardian of a minor delegate their responsibility for providing consent to another adult?.....	46
8.9. What if the Minor is in out-of-home care or in detention? .....	46
8.10. Can a Mature Minor make a valid Advance Care Directive? .....	47
8.11. What are the legal requirements for Special Medical Treatment in relation to children?.....	47
8.12. Consent requirements for gender affirming medical treatments for Minors (young people under 18).....	48
<b>9. Consent for patients being treated under the <i>Mental Health Act 2007</i></b> .....	<b>52</b>
9.1. What is the purpose of the <i>Mental Health Act</i> ?.....	52
9.2. Who is an authorised medical officer? .....	52
9.3. What is a mental health facility?.....	52
9.4. What are the categories of patients under the <i>Mental Health Act</i> relevant to obtaining consent?.....	53
9.5. When do the provisions of the <i>Mental Health Act</i> apply for obtaining consent for medical treatment? .....	53
9.6. What is the process for obtaining consent for voluntary patients with capacity?.....	53
9.7. What is the process for obtaining consent for voluntary patients without capacity?.....	53
9.8. What is the process for obtaining consent to medical treatment for assessable patients? .....	54
9.9. What is the process for obtaining consent to medical treatment for involuntary patients (including forensic patients and correctional patients who suffer from a mental illness)? .....	54
9.9.1. Medical treatment.....	54
9.9.2. Surgical treatment.....	54
9.10. Who provides consent to treatment for a forensic or correctional patient not suffering from a mental illness? .....	55
9.11. Electro-convulsive therapy .....	55
9.11.1. Who can administer electro-convulsive therapy (ECT)? .....	56
9.11.2. Is a patient able to consent to ECT themselves?.....	56
9.11.3. What if the authorised medical officer is not sure whether the patient has the capacity to give informed consent to ECT? .....	56
9.11.4. What are the requirements for informed consent for ECT under section 91 of the <i>Mental Health Act</i> ? .....	56
9.11.5. Who may consent to ECT on behalf of involuntary patients or patients under 16 years of age? .....	57
9.12. Special Medical Treatment – <i>Mental Health Act</i> .....	57
9.12.1. What is Special Medical Treatment under the <i>Mental Health Act</i> ?.....	57
9.12.2. Can Special Medical Treatment be provided to a patient in an emergency?.....	57
9.12.3. When can the Mental Health Review Tribunal consent to Special Medical Treatment on an involuntary patient (including a forensic or correctional patient)? .....	58

<b>10. Consent for specific treatment/procedures</b> .....	<b>58</b>
10.1. Blood transfusions.....	58
10.2. Information and Consent requirements for pregnancy and birth-related tests, procedures and interventions .....	58
10.2.1. Antenatal testing and screening.....	59
10.2.2. Planned pregnancy, labour and birth related procedures and interventions .....	59
10.2.3. Unplanned labour and birth-related procedures and interventions .....	59
10.2.4. Refusal of recommended treatment in a maternity setting .....	59
10.2.5. Refusal of recommended treatment in a maternity setting – Local Level Policy .....	60
10.3. Anaesthetics.....	61
10.4. Organ and tissue donation.....	61
10.5. Consent to use tissue removed from a living patient during treatment.....	61
10.6. Research (including clinical trials) .....	61
10.6.1. Consent for children participating in research or clinical trials .....	62
10.6.2. Consent for persons 16 years or above without capacity participating in research or clinical trials .....	62
10.7. Procedures that may impact on people other than the patient .....	62
10.8. Medical and Forensic examinations .....	63
10.9. Restrictive practices .....	64
10.9.1. Restraint in emergency situations .....	64
10.9.2. Mental Health patients.....	64
10.9.3. Minors.....	64
10.9.4. Patients 16 and over who do not have capacity to consent .....	64
<b>11. Consent tables – quick finders</b> .....	<b>65</b>
11.1. Adults with capacity and Mature Minors .....	65
11.2. Adults without capacity .....	66
11.3. Minors .....	67
11.4. Consent to Medical and Dental Treatment under the <i>Mental Health Act</i> .....	68
<b>12. Useful Contacts</b> .....	<b>71</b>
<b>Appendix 1 – List of relevant policies and legislation</b> .....	<b>72</b>
<b>Appendix 2 – Consent forms – Attachments A – F</b> .....	<b>72</b>
A Consent for Medical Procedure/Treatment – (Adult and Mature Minors) – for patients with capacity .....	72
B Consent for Medical Procedure/Treatment (Minors) – for parents/guardians of minors without capacity .....	72
C Consent – Substitute Consent for Medical Procedure/Treatment – <i>Guardianship Act 1987</i> .....	72
D Procedure/Treatment Refusal Acknowledgement (Patient with Capacity).....	76
E Discharge against Medical Advice (Adult with capacity) .....	77
F Discharge against Medical Advice (Parents/Guardian of Minors).....	77
