Have you heard about our brand spoonknining **NEW** Play Safe website?

Play Safe is a website that has all the info you need about safe sex, STIs and getting tested all in the one place.

Ask Nurse Nettie....

Hello, I'm Nurse Nettie.

I'm here to help with any questions you might have about sexual health. There's no question too awkward.

Can you get an STI from oral sex?
How much does it cost to get tested?
What if the condom breaks?

**You can find the answers and lots more at
www.playsafe.health.nsw.gov.au**
