## Questionnaire 2016- Version: 13/07/2016 14:58 PM

Start of demographics 1 age and sex (skip only).....	7
Start of Self-rated health status and disability (script only) [ADULT and CHILD].....	9
Start of health services access, use and satisfaction (skip only) .....	10
Start of pregnancy and folate (skip only).....	12
Start of asthma prevalence and service use (skip only) .....	12
Start of diabetes 1 prevalence and management (skip only) .....	13
Start of Diabetes 2 complications and screening (skip only) [ADULT and CHILD].....	16
Start of alcohol frequency and consumption (skip only).....	17
Start of height and weight BMI (skip only) .....	20
Start of nutrition 1 adult dietary guidelines (skip only).....	22
Start of nutrition 2 child dietary guidelines (skip only) .....	29
Start of nutrition 3 kilojoule awareness (skip only).....	30
Start of injury and prevention fire and rescue (skip only) .....	31
Start of Mental Health Diagnosis module (skip only).....	31
Mental health diagnosis .....	32
Mental health diagnosis – condition/s age at first diagnosis .....	32
Mental Health Diagnosis –current condition .....	32
Mental Health – treatment of condition/s .....	32
Mental Health – reasons for not seeking treatment for condition/s.....	33
End of mental health diagnosis module (skip only) .....	33
Sexual health risk behaviours (skip only).....	35
Start of immunisation 1 influenza and pneumococcal (skip only) .....	36
Start of pertussis evaluation (skip only) .....	38
Start of physical activity 1 leisure time (skip only) .....	38
Start of physical activity 3 child activity and inactivity (skip only) .....	42
Start of Smoking 1 prevalence (skip only) [ADULT].....	51
Start of electronic cigarettes (skip only).....	52
Start of Cannabis (skip only) [ADULT].....	53
End of Cannabis (skip only) [ADULT] .....	53
Start of environmental tobacco smoke (skip only) .....	57
Start of Smoking 3 (Policy) (skip only) [ADULT] .....	58
Start of Sun exposure in the last 4 weeks (skip only) [ADULT and CHILD].....	58
Start of concluding demographics (script only) .....	62

INT4	Re-introduction	Existing	Child 0-15 Years	<p>Good morning/afternoon/evening, my name is and I am calling from the NSW Ministry of Health. We are conducting a State-wide study on the health and wellbeing of people in NSW.</p> <p>The survey will take between 15 and 20 minutes. Would it be convenient to talk to you now?</p> <p>1 Yes 2 Yes, but not now [MAKE APPOINTMENT] 3 Refused -&gt; Terminate (TGB) 4 Language difficulty -&gt; TGB</p>	<p>Skip to: INT5 if (CHILD=2) Skip to: INT5 if (PROXY=1) Skip to: INT5 if (INT3=1) Skip to: TGB if (INT3=R) Skip if selected householder is the primary respondent.</p>
INT5	Consent	Existing	All	<p>IF NEW RESPONDENT INT1c = 2 OR 3 OR FROM MOBILE LOCATION SAY:</p> <p><i>This call may be monitored or recorded for quality control and training purposes. You can discontinue the interview at any time.</i></p> <p>Your help with this survey would be voluntary. All that is involved is answering some questions about your health/your child's health, wellbeing and use of health services. The interview takes around 15 to 20 minutes. You can stop at any time or simply refuse to answer a question should you prefer. During the interview my supervisor may listen in for quality control purposes only. Please be assured that all the answers to questions remain completely confidential, except where you volunteer information that we are required to report by law.</p> <p>[PROMPT IF NECESSARY: All the answers that you give to the questions remain completely confidential. However if you tell us additional information that suggests a child is being abused or neglected, then we are required to report this to the Department of Family and Community Services.]</p> <p>The information from this survey will be used to help improve health services for people in your area and across the state, so your help is very important to us.</p> <p>1 Yes 2 Yes, but not available now [MAKE APPOINTMENT] R Refused -&gt; Terminate (TGB)</p>	<p>Skip to: TGB if (INT4=3) Skip to: TGB if (INT4=4) Skip if selected householder is the primary respondent.</p>

**Please see below for key**

**Child:** the term child is an insert in many questions, it represent the child's name asked at the beginning of the survey.

**Child:**

CHILD = 1, the survey subject is a child

CHILD = 2, the survey subject is an adult

CHILD = 0, proxy

**Child Age for different modules:**

0-6 months

Child 0-11 months

0-23 months

0-4 years

6 months+

<12 months

2+ years

2-15 years

5+ years

5-15 years

<6 years

9+ years

NSW Population Health Survey  
Questionnaire 2016- Version: 13/07/2016 14:58 PM

0-15 Years

**Proxy:**

PROXY = 0, adult or child

PROXY = 1, Interviewing on behalf of another adult

**Age:**

The survey subject's age in years

**Mobile:**

Mobile = 1, mobile phone number

Mobile = 2, landline phone number

**Parents:**

Mother = 1, mother

Mother = 2, step-mother

Mother = 3, no mother or step-mother in household

Father = 1, father

Father = 2, step-father

Father = 3, no father or step-father in household
