2003-2004 Child Health Survey Data Dictionary

Variable Name	Type Length	Format	Variable label	Question	Coding and Comments	Code frame
A3	$1	$CA3F	Asthma interfere with daily life	During the past 4 weeks, did [child]'s asthma interfere with his/her ability to manage day to day activities?	Single response	1. Yes 2. No R. Refused X. Don't know
A4	$1	$CA4F	Severity of asthma interference	Did it interfere with these activities:	Single response [Read out]	1. A little bit 2. Moderately 3. Quite a lot 4. Extremely R. Refused X. Don't know
AGE	8		Age in years	Could you please tell me how old [child] is today?	0-11 months=0, 12-23 months=1	
ARHSRES	$17	$AHS	Area Health Services		Derived variable	X500. Sydney South West X510. South Eastern Sydney & Illawarra X520. Sydney West X530. Northern Sydney & Central Coast X540. Hunter & New England X550. North Coast X560. Greater Southern X570. Greater Western
ARIAPLUSC	$1	$ARIAPLS	Remoteness Quintile		Derived variable	1. Major Cities 2. Inner Regional 3. Outer Regional 4. Remote 5. Very Remote
AST1	$1	$CAST1F	Ever told by doctor have asthma	Have you ever been told by a doctor or at a hospital that	Single response	1. Yes 2. No

				[child] has asthma?		R. Refused X. Don't Know
AST2	$1	$CAST2F	Asthma symptoms or treatment in last 12mths	Has [child] had symptoms of asthma or taken treatment for asthma in the last 12 months?	Single response	1. Yes 2. No R. Refused X. Don't Know
AST2A	$1	$CAST2AF	Asthma symptoms or treatment in last 4 weeks	Has [child] had symptoms of asthma or taken treatment for asthma in the last four weeks?	Single Response	1. Yes 2. No R. Refused X. Don't Know
AST3	$1	$CAST3F	Visited doctor for asthma attack in last 4 weeks	Has [child] visited a GP or local doctor for an attack of asthma in the last four weeks?	Single response	1. Yes 2. No R. Refused X. Don't Know
AST4	$1	$CAST4F	Visited emergency dept for asthma attack in last 4 weeks	Has [child] visited a hospital emergency department for an attack of asthma in the last four weeks?	Single response	1. Yes 2. No R. Refused X. Don't know
BKAG	$1	$CBKAGF	Age of child being read to	How old was [child] when you or another member of your family started reading to him/her?	Single response	1. Less than 6 months 2. 6 months-1 year 3. 1-2 years 4. 2-3 years 5. 3 years and over R. Refused X. Don't know
BKOF	$1	$CBKOFF	How often look at books with child	In a typical week, how often do you or other members of your family read or look at books with [child]?	Single response	1. Every Day 2. At least once a week 3. At least once a month 4. Rarely R. Refused X. Don't know
BOOK	$1	$CBOOKF	Read books to child	Do you or other members of your family read or look at books with [child]?	Single response	1. Yes 2. No R. Refused X. Don't know
BREAST1	8		Months of any breastfeeding	Has [child] ever been breastfed? Is [child] currently	Derived variable which includes	

				being breastfed? Including times of weaning, what is the total time [child] was breastfed? Could you please tell me how old [child] is today?	the weeks and months a child was breastfed for if the child was not currently breastfed and the age of the child if the child was still being breastfed at the time of the interview.	
BREAST1 T	8		Censoring status of months of any breastfeeding		Derived variable used in survival analysis of the months of any breastfeeding. 1 = uncensored value (based on breastfeeding duration) and 0 = censored value (based on childs age)	
BREAST2	8		Months of fully breastfeeding	Has [child] ever been breastfed? Is [child] currently being breastfed? Including times of weaning, what is the total time [child] was breastfed? Has [child] ever been given infant or toddler formula regularly (regularly means at least once a day)? At what age was [child] first given infant or toddler formula regularly? Has [child] ever been given cow's	Derived variable which includes the weeks and months a child was fully breastfed for if the child was not currently breastfed and the age of the child if the child was still being fully breastfed at the	

				milk regularly? At what age was [child] first given cow's milk regularly? Has [child] ever been given any other type of milk substitute on a regular basis (apart from breast milk/infant formula/cows milk)? At what age was [child] first given milk substitutes regularly? At what age was [child] first given solid food regularly? Could you please tell me how old [child] is today?	time of the interview.	
BREAST2 T	8		Censoring status of months of fully breastfeeding		Derived variable used in survival analysis of the months of fully breastfeeding. 1 = uncensored value (based on breastfeeding duration) and 0 = censored value (based on childs age)	
BREAST3	8		Months of exclusive breastfeeding	Has [child] ever been breastfed? Is child currently being breastfed? Including times of weaning, what is the total time [child] was breastfed? Has [child] ever been given infant or toddler formula regularly (regularly means at least once a day)? At what age was [child] first given infant or toddler	Derived variable which includes the weeks and months a child was exclusively breastfed for if the child was not currently breastfed and the age of the child if the child was	

				formula regularly? Has [child] ever been given cow's milk regularly? At what age was [child] first given cow's milk regularly? Has [child] ever been given any other type of milk substitute on a regular basis (apart from breast milk/infant formula/cows milk)? At what age was [child] first given milk substitutes regularly? At what age was [child] first given solid food regularly? At what age was [child] first given fruit juice regularly? At what age was [child] first given water regularly? Could you please tell me how old [child] is today?	still being fully breastfed at the time of the interview.	
BREAST3 T	8		Censoring status of months of exclusive breastfeeding		Derived variable used in survival analysis of the months of exclusive breastfeeding. 1 = uncensored value (based on breastfeeding duration) and 0 = censored value (based on childs age)	
BREAST6 A	8		Months of introducing solid food	At what age was [child] first given solid food regularly? Could you please tell me how old [child] is today?	Derived variable which includes the age when a child was given	

					solids regularly for the first time and the age of the child if the child had not been given solids yet	
BREAST6 AT	8		Censoring status of months of introducing solid food		Derived variable used in survival analysis of the months of introducing solids. 1 = uncensored value (based on age solids introduced) and 0 = censored value (based on childs current age)	
BREAST6 M	8		Months of introducing breastmilk substitutes	Has [child] ever been given infant or toddler formula regularly (regularly means at least once a day)? At what age was [child] first given infant or toddler formula regularly? Has [child] ever been given cow's milk regularly? At what age was [child] first given cow's milk regularly? Has [child] ever been given any other type of milk substitute on a regular basis (apart from breast milk/infant formula/cows milk)? At what age was	Derived variable which includes the age when a child was given breastmilk substitutes regularly for the first time and the age of the child if the child had not been given breastmilk substitutes	

				[child] first given milk substitutes regularly? Could you please tell me how old [child] is today?		
BREAST6MT	8		Censoring status of months of introducing breastmilk substitutes		Derived variable used in survival analysis of the months of introducing breastmilk substitutes. 1 = uncensored value (based on introducing breastmilk substitutes) and 0 = censored value (based on childs age)	
BUSH_1	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : was away from Sydney during that time	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_10	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : Don't Know	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_11	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : Refused	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_2	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : made no changes to my regular habits	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_3	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : stayed inside as much	During the Christmas bushfires, did [child] actively	Part of multiple response	0. No 1. Yes

			as possible	try to avoid the effects of the smoke?	question	
BUSH_4	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : stayed in air-conditioned buildings as much as possible	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_5	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : reduced my activities level	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_6	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : increased my regular medication	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_7	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : commenced taking medication	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_8	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : close windows and doors	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
BUSH_9	$1	$C_MC_CD	Avoidance of smoke during Christmas 2001 bushfires : Other [SPECIFY]	During the Christmas bushfires, did [child] actively try to avoid the effects of the smoke?	Part of multiple response question	0. No 1. Yes
CA10A	$1	$CCA10AF	Serevent or Foradile Used.	Does [child] use Serevent or Foradile? (PROMPT: These medications are inhaled and their effects last for 12 hours).	Single response	1. Yes 2. No R. Refused X. Don't know
CA10B	$1	$CCA10BF	Serevent or Foradile Frequency of Use in Last Month.	In the last 4 weeks, how often has [child] used Serevent or Foradile?	Single response [Read out]	1. Every day 2. Most days 3. About half the days 4. Less than half the days 5. Not at all R. Refused

						X. Don't know
CA11	$1	$CCA11F	Use of asthma preventer medications	Does [child] use preventer medication such as Becotide, Aldecin, Pulmicort, Flixotide, Intal, Intalforte, Cromogen or Tilade?	Single response	1. Yes 2. No R. Refused X. Don't know
CA12	$1	$CCA12F	Frequency of asthma preventer medications in last 4 weeks	In the last 4 weeks how often has [child] used preventer medication?	Single response [Read out]	1. Every day 2. Most days 3. About half the days 4. Less than half the days 5. Not at all R. Refused X. Don't know
CA8	$1	$CCA8F	Written asthma management plan	Does [child] have a written asthma management plan from your doctor on how to treat asthma?	Single response	1. Yes 2. No R. Refused X. Don't know
CA9A	$1	$CCA9AF	Use reliever medications	Does [child] use reliever medication (puffer or nebulizer) such as Ventolin, Respolin, Asmol, Airomir or Bricanyl?	Single response	1. Yes 2. No R. Refused X. Don't know
CA9B	$1	$CCA9BF	Frequency of asthma reliever medications in last 4 weeks	In the last 4 weeks how often has [child] used reliever medication?	Single response [Read out]	1. Every day 2. Most days 3. About half the days 4. Less than half the days 5. Not at all R. Refused X. Don't know
CAQ1	$1	$CCAQ1F	Ever attended organised early childhood program or activity	Has [child] ever attended any play group or other early childhood program or activity? Please do not include childcare programs or time spent in preschool.	Single response	1. Yes 2. No R. Refused X. Don't Know
CAQ2	$1	$CCAQ2F	Currently attends other organised early childhood programs or activities	Does [child] currently attend any play group or other early	Single response	1. Yes 2. No

				childhood program or activity? Please do not include childcare programs or time spent in preschool.		R. Refused X. Don't Know
CBF1	$1	$CCBF1F	Child ever breastfed	Has [child] ever been breastfed?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF10	$1	$CCBF10F	Age first given other milk substitutes.	At what age was [child] first given milk substitute regularly? Answer in months and weeks. [IF USED MORE THAN ONE TYPE OF MILK RECORD EARLIEST AGE THAT ANY MILK SUBSTITUTE WAS GIVEN REGULARLY] [ENTER FULL NUMBERS ONLY: IGNORE HALF]	Single response	1. Answer in weeks (1-12 weeks) 2. Answer in Months (1-48 months) 3. Less than one week R. Refused X. Don't know
CBF12	$1	$CCBF12F	Age when first given solid food	At what age was [child] first given solid food regularly? Answer in months AND weeks. [ENTER FULL NUMBERS ONLY: IGNORE HALF]	Single response	1. Answer in weeks (0-12 weeks only) 2. Answer in months (1-48 months only) 3. Never given solids/not yet started solids R. Refused X. Don't know
CBF13	$1	$CCBF13F	Duration of breastfeeding	Including times of weaning, what is the total time [child] was breastfed in months and weeks?	Single response	1. Answer in weeks (1-12 weeks only) 2. Answer in Months (1-48 months only) 3. Less than one week R. Refused X. Don't Know
CBF14A_1	$1	$C_MC_CD	Main reasons decided not to breastfeed : Previous bad experience	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes

CBF14A_1 0	$1	$C_MC_C D	Main Reasons Decided not to Breastfeed : Other	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_2	$1	$C_MC_C D	Main Reasons Decided not to Breastfeed. : No milk/Not enough milk/Poor quality milk	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_3	$1	$C_MC_C D	Main reasons decided not to breastfeed : Returning to work/study or traveling	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_4	$1	$C_MC_C D	Main reasons decided not to breastfeed : Health problem with mother/medications/fatigue/became pregnant	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_5	$1	$C_MC_C D	Main reasons decided not to breastfeed : Mother did not want to/ Mother didn't like it or wanted to stop/child old enough/child biting or had teeth/wanted to become pregnant	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_6	$1	$C_MC_C D	Main reasons decided not to breastfeed : Premature baby or health problem with child	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_7	$1	$C_MC_C D	Main reasons decided not to breastfeed : Multiple birth/ other small children/had another baby	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_8	$1	$C_MC_C D	Main reasons decided not to breastfeed : Technique difficulties such as attachment /Mastitis/Sore or cracked nipples	What were the main reasons you decided not to breastfeed [child] ?	Part of multiple response question	0. No 1. Yes
CBF14A_9	$1	$C_MC_C D	Main Reasons Decided not to Breastfeed. : Child wanted to stop / began eating solids	What were the main reasons you decided not to breastfeed [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_1	$1	$C_MC_C D	Main reason stopped breastfeeding prior to 12 months : Previous bad experience	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_1 0	$1	$C_MC_C D	Main reason stopped breastfeeding prior to 12 months : Other	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes

CBF14B_2	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : No milk/Not enough milk/Poor quality milk	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_3	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Returning to work/study or traveling	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_4	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Health problem with mother/medications/fatigue/became pregnant	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_5	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Mother did not want to/ Mother didn't like it or wanted to stop/child old enough/child biting or had	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_6	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Premature baby or health problem with child	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_7	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Multiple birth/ other small children/had another baby	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_8	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Technique difficulties such as attachment /Mastitis/Sore or cracked nipplies	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF14B_9	$1	$C_MC_CD	Main reason stopped breastfeeding prior to 12 months : Child wanted to stop / began eating solids	What was the main reason you stopped breastfeeding [child]?	Part of multiple response question	0. No 1. Yes
CBF2	$1	$CCBF2F	Child currently breastfed	Is [child] currently being breastfed?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF4	$1	$CCBF4F	Child ever regularly given infant or toddler formula.	Has [child] ever been given infant or toddler formula regularly? [PROMPT IF NECESSARY: Regularly means at least once a day]	Single response	1. Yes 2. No R. Refused X. Don't know

CBF5	$1	$CCBF5F	Age first given infant or toddler formula regularly.	At what age was [child] first given infant or toddler formula regularly? Answer in months and weeks. [ENTER FULL NUMBERS ONLY: IGNORE HALF. FOR EXAMPLE ENTER ONE WEEK FOR ONE AND A HALF WEEKS]	Single response	1. 1-12 weeks 2. Answer months AND weeks 3. Less than one week R. Refused X. Don't know
CBF6	$1	$CCBF6F	Child ever regularly given cows milk.	Has [child] ever been given cow's milk regularly?	Single response	1. Yes 2. No R. Refused X. Don't know
CBF7	$1	$CCBF7F	Age first given cows milk.	At what age was [child] first given cow's milk regularly? Answer in months and weeks. [ENTER FULL NUMBERS ONLY: IGNORE HALF. FOR EXAMPLE ENTER ONE WEEK FOR ONE AND A HALF WEEKS]	Single response	1. Answer in weeks (1-12 weeks only) 2. Answer in months (1-48 months only) 3. Less than one week R. Refused X. Don't know
CBF8	$1	$CCBF8F	Child ever given other milk substitutes regularly.	Has [child] ever been given any other type of milk substitute on a regular basis? [PROMPT: Apart from breast milk/infant formula/cows milk]	Single response	1. Yes 2. No R. Refused X. Don't know
CBF9_1	$1	$C_MC_C D	Types of other milk substitutes. : Soya Bean milk	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes
CBF9_2	$1	$C_MC_C D	Types of other milk substitutes. : Goat's milk	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes
CBF9_3	$1	$C_MC_C D	Types of other milk substitutes. : Evaporated milk	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes

CBF9_4	$1	$C_MC_CD	Types of other milk substitutes. : Other	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes
CBF9_5	$1	$C_MC_CD	Types of other milk substitutes. : Don't know	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes
CBF9_6	$1	$C_MC_CD	Types of other milk substitutes. : Refused	What type of milk substitutes did [child] have?	Part of multiple response question	0. No 1. Yes
CDM6	$1	$CCDM6F	Proxy respondent's relationship to child	What is your relationship to [child]?	Single response	1. Mother 2. Father 3. Stepmother 4. Stepfather 5. Grandmother 6. Grandfather 7. Legal guardian/Foster Parent 8. Other R. Refused X. Don't Know
CFF1	$1	$CCFF1F	Planning family activities is difficult because we misunderstand each other (Level of agreement).	I'm going to read you some statements about family relationships. For each of them please tell me whether you strongly agree, agree, disagree, or strongly disagree with the statement as a description of your family. Planning family activities is difficult because we misunderstand each other. Do you...	Single Response [Read out]	1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF10	$1	$CCFF10F	We are able to make decisions about how to solve problems (Level of agreement).	I'm going to read you some statements about family relationships. For each of them please tell me whether you strongly agree, agree,	Single Response [Read out]	1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused

				disagree, or strongly disagree with the statement as a description of your family. We are able to make decisions about how to solve problems. Do you...		X. Don't know
CFF11	$1	$CCFF11F	We don't get on well together (Level of agreement).	I'm going to read you some statements about family relationships. For each of them please tell me whether you strongly agree, agree, disagree, or strongly disagree with the statement as a description of your family. We don't get on well together. Do you...	Single Response [Read out]	1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know
CFF12	$1	$CCFF12F	We confide in each other (Level of agreement).	I'm going to read you some statements about family relationships. For each of them please tell me whether you strongly agree, agree, disagree, or strongly disagree with the statement as a description of your family. We confide in each other. Do you...	Single Response [Read out]	1. Strongly agree 2. Agree 3. Disagree 4. Strongly disagree R. Refused X. Don't know

INT1D	8		Number of Residents aged 0-5	Can you please tell me, how many children under 6 years of age, live in this household.		
I_ASTHMA1	$2	$S_INDF	Ever diagnosed with asthma		The indicator includes those children who have ever been told by a doctor or hospital that they have asthma. The question used to define the indicator was: Has [child] ever been told by a doctor or hospital he or she has asthma?	1. Yes 2. No X. Don't Know/Refused
I_ASTHM	$2	$S_INDF	Current asthma		The indicator	1. Yes

A2					includes those children with symptoms of asthma or who had treatment for asthma in the last 12 months. The questions used to define the indicator were: Has[child]ever been told by a doctor or hospital he or she has asthma? Has[child]had symptoms of asthma or treatment for asthma in the last 12 months?	2. No X. Don't Know/Refused
I_ASTHM A3	$1	$S_INDF	Visited doctor for asthma attack in last 4 weeks		The indicator includes those children with asthma who had visited their general practitioner or local doctor for an attack of asthma in the last 4 weeks. The questions used to define the indicator were: Has [child] ever been told by a	1. Yes 2. No X. Don't Know/Refused

					doctor or hospital he or she has asthma? Has [child] had symptoms of asthma or taken treatment for asthma in the last 12 months? Has [child] had symptoms of asthma or taken treatment for asthma in the last 4 weeks? Has [child] visited his or her general practitioner or local doctor for an attack of asthma in the last 4 weeks?	
I_ASTHM A5	$2	$S_INDF	Written asthma management plan		The indicator includes those who have current asthma and who have a written asthma management plan. The questions used to define the indicator were: Has [child] ever been told by a doctor that he or she has asthma?	1. Yes 2. No X. Don't Know/Refused

					Does [child] currently have asthma? Does [child] have a written asthma management plan from his or her doctor on how to treat their asthma?	
I_ASTHMA9	$2	$S_INDF	Moderate to extreme interference with daily activities		The indicator includes those children whose asthma interfered with their ability to manage day-to-day activities moderately, quite a lot, or extremely in the last 4 weeks. The questions used to define the indicator were: Have you ever been told by a doctor or hospital you have asthma? Have you had symptoms of asthma or taken treatment for asthma in the last 12 months? During the last 4 weeks, did your	1. Yes 2. No X. Don't Know/Refused

					asthma interfere with your ability to manage your day to day activities? and Did it interfere with these activities: A little bit, Moderately, Quite a lot, or Extremely?	
I_BREAST	$2	$S_INDF	Ever breastfed		The indicator includes those infants who have ever been breastfed. The question used to define the indicator was: Has [child] ever been breastfed?	1. Yes 2. No X. Don't Know/Refused
I_DAIRY	$2	$S_INDF	Recommended daily dairy intake		The indicator includes children who consume the recommended daily intake of dairy products (2 serves per day of milk, cheese, yoghurt or custard if aged 4-11 years or 3 serves per day if aged 12-15 years). The guide does not provide recommendation	1. Yes 2. No X. Don't Know/Refused

					s for children aged 2-3 years and so the recommendations for 4-11 year old children have been applied. The questions used to define the indicator were: How many cups of milk does [child] drink per day? How many serves of custard does [child] have per day? How many serves of yoghurt does [child] have per day? How many serves of cheese does [child] have per day?	
I_DET_FF	$2	$S_INDF	Healthy family functioning		The indicator includes families that scored 2.17 or below on the McMasters 12-item general functioning scale and are thus assessed as having healthy family functioning.	1. Yes 2. No X. Don't Know/Refused

I_DROWN	$1	$S_INDF	Rescued from drowning in the last 12 months		The indicator includes those children who had been rescued from drowning in the last 12 months. The question used to define the indicator was: In the last 12 months was [child] rescued from any body of water, for example, from a beach, river, bath, bucket, pond or wading pool?	1. Yes 2. No X. Don't Know/Refused
I_ECACT1	$2	$S_INDF	Ever participated in early childhood activities		The indicator includes those children who have ever attended a play group or early childhood program or activity. The question used to define the indictor was: Has [child] ever attended any play group or other early childhood	1. Yes 2. No X. Don't Know/Refused

					program or activity? Please do not include [child] care programs or time spent in preschool.	
I_ECACT2	$2	$S_INDF	Currently participate in early childhood activities		The indicator includes children who are currently attending any play group or other early childhood program or activity. The question used to define the indicator was: Does [child] currently attend any play group or other early childhood program or activity? Please do not include [child] care programs or time spent in preschool.	1. Yes 2. No X. Don't Know/Refused
I_ECC1	$2	$S_INDF	Attended early childhood health centre in previous 12 months		The indicator includes children who attended an early childhood health centre in	1. Yes 2. No X. Don't Know/Refused

					the last 12 months. The question used to define the indicator was: In the last 12 months, has [child] attended an early childhood health centre?	
I_ECC5	$2	$S_INDF	Currently seeing baby or early childhood health nurse		The indicator includes those children who were seeing baby or early childhood health nurse on a regular basis.The question used to define the indicator was: Is [child] seeing a baby or early childhood health nurse on a regular basis?	1. Yes 2. No X. Don't Know/Refused
I_ED1	$2	$S_INDF	Emergency department presentations in the last 12 months		The indicator includes children who presented to an emergency department in the last 12 months. The question used to define the indicator was: In the last	1. Yes 2. No X. Don't Know/Refused

					12 months, have you attended a hospital emergency department or casualty for child's medical care?	
I_ED2	$2	$S_INDF	Emergency department rated as excellent, very good or good		The indicator includes children who presented to an emergency department in the last 12 months whose parents rated their care as excellent, very good or good for their most recent visit. The question used to define the indicator was: In the last 12 months, have you attended a hospital emergency department or casualty for child's medical care? Overall what do you think of the care [child] received at this emergency	1. Yes 2. No X. Don't Know/Refused

					department: excellent, very good, good, fair or poor?	
I_FIRED1	$2	$S_INDF	Participation in fire education program		The indicator includes those children who have participated in a fire education program. The question used to define the indicator was: Has [child] participated in the fire education program in schools?	1. Yes 2. No X. Don't Know/Refused
I_FIRED3	$2	$S_INDF	Action taken following fire education program		The indicator includes parents or carers who had taken action on information from the children the fire education program in schools. The questions used to define the indicator were: Has [child] participated in the fire education program in schools? Did [child] tell you	1. Yes 2. No X. Don't Know/Refused

					about any of the following: get down low and go go go, home evacuation plan, stop drop and roll, install smoke alarms, knotted rope, none of the above? Did you take action on any of these things?	
I_FOLATE 1	$2	$S_INDF	Folate supplements 1 month before and during pregnancy		The indicator includes mothers of infants aged 0-11 months who took folate supplements 1 month before and 3 months after conception. The question used to define the indicator was: Did you take tablets or capsules containing folate or folic acid in the month immediately before and/or in the first 3 months of this pregnancy?	1. Yes 2. No X. Don't Know/Refused

I_FOLATE 3	$1	$S_INDF	Adequate dietary folate 1 month before and during pregnancy		The indicator includes those mothers who increased their dietary folate 1 month before and during the first 3 months of pregnancy or who were already eating enough food with folate. The question used to define the indicator was: Thinking back to when you were pregnant with child, did you change the food you ate to increase folate or folic acid intake in the month immediately before and/or in the first 3 months of this pregnancy?	1. Yes 2. No X. Don't Know/Refused
I_FOOD	$2	$S_INDF	Food insecurity in the last 12 months		The indicator includes children who had suffered some food insecurity in the last 12 months. The question	1. Yes 2. No X. Don't Know/Refused

					used to define the indicator was: In the last 12 months, were there any times you ran out of food and couldn't afford to buy more?	
I_FRUIT	$2	$S_INDF	Recommended daily fruit intake		The indicator includes children who meet the recommended daily consumption of fruit. The recommended daily consumption of fruit according to the NHMRC Dietary Guidelines for Australian children and adolescents is 1 serve for children aged 4-11 years and 3 serves for children aged 12-18. The guide does not provide recommendations for children aged 2-3 years and so the	1. Yes 2. No X. Don't Know/Refused

					recommendations for 4-11 year old children have been applied. One serve is equivalent to 1 medium piece or 2 small pieces of fruit. The question used to define the indicator was: How many serves of fruit does [child] usually eat each day?	
I_HDIFF1	$2	$S_INDF	Difficulties getting health care when needing it		The indicator includes parents or carers who had difficulties getting health care when [child] needed it. It excludes those who said [child] did not need health care. The question used to define the indicator was: Do you have any difficulties getting health care when [child] needs it?	1. Yes 2. No X. Don't Know/Refused
I_HEARIN	$1	$S_INDF	Ever had hearing tested		The indicator	1. Yes

G1					includes those children who ever had their hearing tested. The question used to define the indicator was: Has [child] ever had his or her hearing tested?	2. No X. Don't Know/Refused
I_HEARIN G4	$1	$S_INDF	Normal hearing		The indicator includes those children who have normal hearing without a hearing aid. The questions used to define the indicator were: As far as you know, does [child] currently have normal hearing in both ears? Does [child] currently use a hearing aid?	1. Yes 2. No X. Don't Know/Refused
I_HOSP1	$2	$S_INDF	Hospital admissions in previous 12 months		The indicator includes children admitted to hospital in the last 12 months. The question used to define the indicator	1. Yes 2. No X. Don't Know/Refused

					was: In the last 12 months has [child] stayed for at least 1 night in hospital?	
I_HOSP2	$2	$S_INDF	Hospital care rated as excellent, very good or good		The indicator includes children admitted to hospital in the last 12 months whose parents rated their care as excellent, very good or good for their most recent overnight stay. The questions used to define the indicator were: In the last 12 months has [child] stayed for at least 1 night in hospital? Overall, what do you think of the care [child] received at this hospital: excellent, very good, good, fair or poor?	1. Yes 2. No X. Don't Know/Refused
I_HOSP5	$1	$S_INDF	Adequate or very adequate discharge information following hospital stay		The indicator includes those who rated the adequacy of information they	1. Yes 2. No X. Don't Know/Refused

| | | | | | received on discharge from hospital as very adequate or adequate. The questions used to define the indicator were: In the last 12 months, has [child] stayed for at least 1 night in hospital? Did someone at this hospital tell you how to cope with child's condition when [child] returned home? How adequate was this information once [child] returned home: very adequate, adequate, inadequate or completely inadequate? | |
| I_HSTAT | $2 | $S_INDF | Excellent, very good, or good health status | | The indicator includes children reported to have excellent, very good or good health status. The question used to define | 1. Yes
2. No
X. Don't Know/Refused |

					the indicator was: Overall, how would you rate child's health during the last 4 weeks: excellent, very good, good, fair, poor, or very poor?	
I_HSTAT3	$2	$S_INDF	Difficulties doing daily activities		The indicator includes children who have some difficulty or much difficulty and could not do activities. The question used to define the indicator was: During the last 4 weeks how much difficulty did [child] have doing his or her daily activities: no difficulty at all, a little bit of difficulty, some difficulty, much difficulty, could not do activities?	1. Yes 2. No X. Don't Know/Refused
I_HSTAT5	$2	$S_INDF	Moderate or severe bodily pain		The indicator includes children who had experienced moderate or	1. Yes 2. No X. Don't Know/Refused

					severe pain in the last 4 weeks. The question used to define the indicator was: During the last 4 weeks how much bodily pain has [child] had: no pain, very mild pain, mild pain, moderate pain, or severe pain?	
I_HTEST2	$1	$S_INDF	First hearing test before 1 month of age		The indicator includes those infants who had their hearing tested before 1 month of age. The questions used to define the indicator were: Has [child] ever had his or her hearing tested? How old was [child] when he or she first had his or her hearing tested?	1. Yes 2. No X. Don't Know/Refused
I_HVISIT1	$2	$S_INDF	Visit by a health professional in the home in the last 12 months		The indicator includes children who were visited by a health professional in their home in the	1. Yes 2. No X. Don't Know/Refused

					last 12 months. The question used to define the indicator was: In the last 12 months have any health professionals visited [child] in your home?	
I_IMM1	$1	$S_INDF	Support for immunisation		The indicator includes those parents who support immunisation. The question used to define the indicator was: Overall how do you feel about immunisation: strongly support it, generally support it, neither support or oppose it, generally oppose it, strongly oppose it?	1. Yes 2. No X. Don't Know/Refused
I_IMM2	$1	$S_INDF	Believe immunisation is safe		The indicator includes parents who believe immunisation is completely safe or carries only a slight risk. The	1. Yes 2. No X. Don't Know/Refused

					question used to define the indicator was: In general, how safe do you think immunisation is for children: completely safe, there is a slight risk, moderate risk, or high risk?	
I_MENING 1	$2	$S_INDF	Vaccinated against meningococcal C disease in last year		The indicator includes children who were vaccinated in the last year. The question asked was: Since January [of the previous year], has [child] been vaccinated against meningococcal C disease?	1. Yes 2. No X. Don't Know/Refused
I_MENING 2	$1	$S_INDF	Intention to vaccinate against meningococcal C disease		The indicator includes parents and carers of children who have not yet been vaccinated for for meningococcal C disease but intend to get [child]	1. Yes 2. No X. Don't Know/Refused

					vaccinated. The questions used to define the indicator were: Since January [of the previous year] has [child] been vaccinated against meningococcal C disease? If no then: The Commonwealth has meningococcal C vaccine available free from general practitioners, community health centres, or local councils. Do you intend to have your [child] vaccinated? NSW Health is conducting free school clinics. Would you or your [child] be happy to receive the vaccine free at school?	
I_MENING 4	$1	$S_INDF	School vaccination clinic		The indicator includes parents and carers of children who have not yet	1. Yes 2. No X. Don't Know/Refused

					been vaccinated for meningococcal C disease but intend to get [child] vaccinated. The questions used to define the indicator were: Since January [of the previous year] has [child] been vaccinated against meningococcal C disease? NSW Health is conducting free school clinics. Would you or your [child] be happy to receive the vaccine free at school?	
I_MILK	$2	$S_INDF	Two or more cups of milk per day		The indicator includes children who have 2 cups of milk or more per day. The question used to define the indicator was: How many cups of milk does [child] usually drink each day?	1. Yes 2. No X. Don't Know/Refused

I_ORAL7	$2	$S_INDF	Visited a dental professional in the last 12 months		The indicator includes children who had visited a dental professional in the last 12 months. The questions used to define the indicator were: In the last 12 months how often has [child] had a toothache or other problem with his or her mouth? What was the most recent problem [child] had? What treatment did [child] receive? If no problem or treatment were asked: When did [child] last visit a dental professional about his or her teeth, dentures or gums?	1. Yes 2. No X. Don't Know/Refused
I_PARSUP1	$2	$S_INDF	Need for support services		The indicator includes parents or carers who needed support services to assist	1. Yes 2. No X. Don't Know/Refused

					in caring for their child. The question used to define the indicator was: Have you ever felt the need for any type of support services to assist in caring for [child] or dealing with problems you may have experienced with child?	
I_PARSUP2	$2	$S_INDF	Used support services		The indicator includes parents or carers of children who needed support services to assist in caring for their child. The question used to define the indicator was: Have you ever felt the need for any type of support services to assist in caring for [child] or dealing with problems you may have experienced with	1. Yes 2. No X. Don't Know/Refused

					child?	
I_PHREC1	$1	$S_INDF	Ever used personal health record		The indicator includes parents or carers of children who have ever used child's personal health record. The question used to define the indicator was: Do you currently use, or have you used, the blue book or personal health record for child?	1. Yes 2. No X. Don't Know/Refused
I_PUBDENT1	$2	$S_INDF	Public dental service attendance in the last 12 months		The indicator includes children who attended a public dental service or dental hospital in the last 12 months. 				brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	question	
RLHP_13	$1	$C_MC_CD	Household structure : No one else besides respondent	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_14	$1	$C_MC_CD	Household structure : Other [SPECIFY]	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_15	$1	$C_MC_CD	Household structure : Don't know	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_16	$1	$C_MC_CD	Household structure : Refused	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_2	$1	$C_MC_CD	Household structure : Mother	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_3	$1	$C_MC_CD	Household structure : Father	Besides yourself, who else does [child] live with such as brothers and sisters, mother	Part of multiple response question	0. No 1. Yes

				or step-mother, father or step-father, step-brothers and step-sisters?		
RLHP_4	$1	$C_MC_CD	Household structure : Respondent's partner [PROBE FOR RELATIONSHIP TO CHILD]	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_5	$1	$C_MC_CD	Household structure : Step-mother	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_6	$1	$C_MC_CD	Household structure : Step-father	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_7	$1	$C_MC_CD	Household structure : Grandparents	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_8	$1	$C_MC_CD	Household structure : Son(s)/Daughter(s)	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-mother, father or step-father, step-brothers and step-sisters?	Part of multiple response question	0. No 1. Yes
RLHP_9	$1	$C_MC_CD	Household structure : Brothers and sisters	Besides yourself, who else does [child] live with such as brothers and sisters, mother or step-	Part of multiple response question	0. No 1. Yes

				father, step-brothers and step-sisters?		
SC1	$1	$CSC1F	Preschool/school attendance	Does go to [child] go to pre-school or school?	Single response	1. Pre-School 2. School 3. Neither 4. Tertiary Institution (TAFE, Uni) 5. Other educational institution R. Refused X. Don't know
SC2	$1	$CSC2F	Child's Year at School (Coded).	What year is [child] in at school?	Single response	1. Kindergarten 2. Year 3. Ungraded class R. Refused X. Don't Know
SC2A	8		Child's Year at School (Year).	What year is [child] in at school? Year	Single response	
SC3	$1	$CSC3F	Type of school currently attending	What type of school does [child] currently attend?	Single response	1. Public school 2. Catholic school 3. Independent school (Private, NOT Catholic) 4. Special education school 5. School of the Air 6. Any other school [SPECIFY] R. Refusal X. Don't Know
SDQTOT	8		Total SDQ score (ess+cps+hs+pps)		Derived variable which equals ess+cps+hs+pps	
SEX	$4	$CSEXF	Respondent/Child sex	Is [child] male or female?	Single response	1. Male 2. Female
SH1	$1	$CSH1F	Shade in sporting areas	In your local area, when you are outside do you find it easy to find shade in sporting areas? [Interviewer Note:	Single Response	1. Yes 2. No 3. Not applicable R. Refused

				Shade can be natural eg trees or purpose built eg clubhouse, shade awnings]		X. Don't know
SH2	$1	$CSH2F	Shade at public pool	In your local area, when you are outside do you find it easy to find shade at the outdoor public swimming pool? [Interviewer Note: Shade can be natural eg trees or purpose built eg clubhouse, shade awnings]	Single Response	1. Yes 2. No 3. Not applicable R. Refused X. Don't know
SH3	$1	$CSH3F	Shade at public park	In your local area, when you are outside do you find it easy to find shade at the public park? [Interviewer Note: Shade can be natural eg trees or purpose built eg clubhouse, shade awnings]	Single Response	1. Yes 2. No 3. Not applicable R. Refused X. Don't know
SMK16	$1	$CSMK16F	Car smoking status	Are people allowed to smoke in your car?	Single response	1. Yes 2. No 3. Don't have a car R. Refused X. Don't know
SMK2	$1	$CSMK2F	Home smoking status	Which of the following best describes your home situation?	Single response [Read out]	1. My home is smoke free (includes smoking is allowed outside only) 2. People occasionally smoke in the house 3. People frequently smoke in the house R. Refused X. Don't Know
SMK5	$1	$CSMK5F	Forbidden child from smoking	Have you ever clearly told [child] not to smoke or forbidden from smoking?	Single response	1. Yes 2. No R. Refused X. Don't Know
SPSS1	$1	$CSPSS1	Sun exposure last summer	Last summer, how often did	Single Response	1. Always

		F		[child] go out in the sun for more than 15 minutes between 11am and 3pm?	[Read out]	2. Often 3. Sometimes 4. Rarely 5. Never in the sun for more than 15 minutes R. Refused X. Don't know
SPSS2	$1	$CSPSS2F	Hat wearing last summer	Last summer, when out in the sun for more than 15 minutes, how often did [child] wear a broad brimmed hat or cap with a back flap?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSS3	$1	$CSPSS3F	Use of sun screen last summer	Still thinking about last summer, how often did you apply a broad-spectrum sunscreen with an SPF of 15 or more to [child]'s exposed skin?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSS4	$1	$CSPSS4F	Use of protective clothing last summer	Still thinking about last summer, how often was [child] deliberately dressed in clothing to protect him/her from the sun?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSS5	$1	$CSPSS5F	Frequency of sunburn last summer	Still thinking about last summer, how often did [child] get sunburnt, so skin was still sore or tender the next day?	Single Response [Read out]	1. Not at all 2. Once 3. Twice 4. 3 or 4 times 5. 5 or more times R. Refused X. Don't know or don't recall
SPSV2	$1	$CSPSV2F	Frequency of Exposure to Sun for 15min or more between 11am and 3pm last 4 weeks.	In the last 4 weeks, how often did [child] go out in the sun for more than 15 minutes between 11am and 3pm?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely

						5. Never in the sun for more than 15 minutes. R. Refused X. Don't know
SPSV3	$1	$CSPSV3 F	Frequency of Wearing Hat when Exposed to Sun between 11am and 3pm in the last 4 weeks.	In the last 4 weeks, when out in the sun for more than 15 minutes, how often did [child] wear a broad brimmed hat or cap with a back flap?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSV4	$1	$CSPSV4 F	Frequency of Wearing Sunscreen (15+) when Exposed to Sun between 11am and 3pm in the last 4 weeks.	Still thinking about the last 4 weeks, how often did you apply a broad-spectrum sunscreen with an SPF of 15 or more to [child]'s exposed skin?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSV5	$1	$CSPSV5 F	Frequency of Wearing Protective Clothing when Exposed to Sun between 11am and 3pm in the last 4 weeks	Still thinking about the last 4 weeks, how often was [child] deliberately dressed in clothing to protect him/her from the sun?	Single Response [Read out]	1. Always 2. Often 3. Sometimes 4. Rarely/Never R. Refused X. Don't know
SPSV6	$1	$CSPSV6 F	Frequency of sunburn	Still thinking about the last 4 weeks, how often did [child] get sunburnt, so skin was still sore or tender the next day?	Single Response [Read out]	1. Not at all 2. Once 3. Twice 4. 3 or 4 times 5. 5 or more times R. Refused X. Don't know or don't recall
STER6	$1	$CSTER6 F	Number of times visited a health or fitness centre of gymnasium in last 12 months.	In the last 12 months, how often did you visit a health or fitness centre or gymnasium?	Single Response [Prompt if necessary]	1. Every day 2. Once a week or more 3. About once a month 4. Every few months 5. Once or twice a year 6. Never R. Refused

						X. Don't know
STRD	$10	$CSTRDF	Building type	What type of accommodation do you live in?	[Prompt]	1. Separate house 2. Semi-detached/town house/terraced house/villa 3. Unit, flat or apartment/granny flat 4. Caravan, cabin, houseboat, 5. Improvised home, tent, sleeper out 6. House/flat attached to a shop, office 7. Other SPECIFY (eg. hostel, retirement village) R. Refused X. Don't Know
TEND	$1	$CTENDF	Home ownership	I would like to ask some questions about your housing arrangements. Are you:	Single response [Read out]	1. Paying rent or board 2. Paying off this dwelling 3. Outright owner/Fully owned 4. Living rent free 5. purchasing under a rent/buy scheme 6. occupying your dwelling under a life tenure scheme 7. Other R. Refused X. Don't Know
V1	8		Serves of vegetables eaten per day.	How many serves of vegetables does [child] usually eat each day?	Derived variable which combines serves of vegetables measured per day, per week/7 and do not eat vegetables	
WGT	8		Post-Stratification Weight		Weights for	

				varying probability of selection and differences between the age and sex structure of the sample and the population. Should be used when calculating prevalence estimates.	
YEAR	$4		Reporting Year		The reporting is equal to "2004" for all data. If data was collected in "2003" the year is renamed to "2004".
